Already a #1 international bestseller, this taut, gripping psychological thriller follows a police inspector who reluctantly returns to her hometown in Spain ' s Basque Country—a place shrouded in mythology and superstition—to solve a series of eerie murders. When the body of a teenaged girl is found on a riverbank in a remote area, the crime appears all too similar to a murder committed only months prior, igniting the worst fears of the small community of Elizondo. Homicide inspector Amaia Salazar, a strong, borderline-obsessive investigator, is assigned to the case. After all, this beautiful, peculiar backwater steeped in the blood of the Spanish Inquisition, where pagan beliefs still flourish under a thin veneer of modernity, is a space she knows better than anyone. Forced to return to Elizondo, a town she has always sought to escape, Amaia is tasked with finding a serial killer on the loose. As the murders in the area grow increasingly violent, the locals come to believe only one creature could possibly be responsible: a creature of Basque mythology known as the basajaun, or Invisible Guardian. But Amaia is logical—a professional—and she refuses to let local superstitions distract her from her careful detective work. As the investigation deepens, a troubling secret from Amaia ' s past plagues her with nightmares and soon her findings seem to transform myth into reality. Everything she believes to be rational and verifiable is called into question. Now Amaia must fight her demons and determine if these murders are the work of a ritualistic killer or something even darker.

A killer at large in a remote Basque Country valley , a detective to rival Clarice Starling, myth versus reality, masterful storytelling – the Spanish bestseller that has taken Europe by storm.

A killer at large in a remote Basque Country valley , a detective to rival Sarah Lund, myth versus reality, masterful storytelling -- the Spanish bestseller that has taken Europe by storm. The naked body of a teenage girl is found on the banks of the River Baztán. Less than 24 hours after this discovery, a link is made to the murder of another girl the month before. Is this the work of a ritualistic killer or of the Invisible Guardian, the Basajaun, a creature of Basque mythology? 30-year-old Inspector Amaia Salazar heads an investigation which will take her back to Elizondo, the village in the heart of Basque country where she was born, and to which she had hoped never to return. A place of mists, rain and forests. A place of unresolved conflicts, of a dark secret that scarred her childhood and which will come back to torment her. Torn between the rational, procedural part of her job and local myths and superstitions, Amaia Salazar has to fight off the demons of her past in order to confront the reality of a serial killer at loose in a region steeped in the history of the Spanish Inquisition.

One person wades though a seemingly unconnected series of events--a methodical mass killing in Pennsylvania, a missing girl in California, and the possible death of a couple in Montana--on the way to a confrontation with the Straw Men.

In a propulsive thriller by the #1 internationally bestselling author of The Baztán Trilogy, a female detective follows a psychopathic killer into the eye of a storm. Amaia Salazar, a young detective from the north of Spain, has joined a group of trainees at the FBI Academy in Virginia. Haunted by her past and having already tracked down a predator on her own, Amaia is no typical rookie. And this is no ordinary student lecture at Quantico. FBI agent Aloisius Dupree is already well acquainted with Amaia's skills, her intuition, and her ability to understand evil. He now needs her help in hunting an elusive serial killer dubbed "the Composer," and in solving another case that's been following him his whole life. From New Jersey to Oklahoma to Texas, the Composer's victims are entire families annihilated in the chaos of natural disasters, their bodies posed with chilling purpose amid the ruins. Dupree and Amaia follow his trail to New Orleans. The clock is ticking. It's the eve of the worst hurricane in the city's history. But a troubling call from Amaia's aunt back home awakens in Amaia the ghosts from her childhood and sends her down a path as dark as that of the coming storm.

Edgar award-winning author Joe Lansdale returns with a standalone novel following the gripping and unexpected tale of the lost town and dark secret that lie beneath the glittering waters of an East Texas lake. Daniel Russell was only thirteen years old when his father tried to kill them both by driving their car into Moon Lake. Miraculously surviving the crash-- and growing into adulthood-- Daniel returns to the site of this traumatic incident in the hopes of recovering his father's car and bones. As he attempts to finally put to rest the memories that have plagued him for years, he discovers something even more shocking among the wreckage that has ties to a twisted web of dark deeds, old grudges, and strange murders. As Daniel diligently follows where the mysterious trail of vengeance leads, he unveils the heroic revelation at its core.
