The term "Five Civilized Tribes" derives from the colonial and early federal period in the history of the United States. It refers to five Native American nations—the Cherokee, Chickasaw, Choctaw, Creek, and Seminole. These are the first five tribes that European Americans generally considered to be "civilized". Examples of colonial attributes adopted by these five tribes, which led European Americans to label them civilized, include Christianity, centralized governments, literacy in ...

Tribes - Definition and 5 Aspects

I perused the rulebook for Five Tribes, and unless I'm missing something, it would be very simple to design a solo variant for this game, especially a beat-your-high-score type. The Mancala mechanism renders it a big puzzle. I think that mastering the meeple movement itself would be challenging enough to warrant a few solo games.
