The question is whether you mean to say that the number of customers is more than the usual number (adjective) or that you had more customers than you usually have (adverb).. So either is correct. Practically speaking, they amount to the same thing. We (in AmE, and per David Pugh, in BrE as well) tend to use the shorter form "usual", and not dwell on this subtle distinction.

grammar - "more than usual" vs. "more than usually ...

Are you more than just friends? 1. Your pal does not refer to you as a friend. If you are introduced to someone and they have stopped saying, "This is my friend, (insert your name)," but instead say something like "This is my partner in crime, (insert your name)," or just simply uses your first name without including the 'friend' title, then your "pal" may see you as more than ...
