Bank Taxation Guide | www.stagradio.co

Taxation of banks. Banks present a tempting target for taxation because that's where the money is. As with other forms of corporate taxation, though, who pays the tax to the government and who ultimately pays it can be two different things. This point is both so elementary and so important that if you hear somebody claim that the solution to raising more government revenue is to tax corporations rather than people, you can dismiss him as an ignoramus.
