Battles of the Clans is by Erin Hunter and I thought this book was amazing. It's about different cats that narrate many battles against different clans in Warrior World history. Some battles were against predators like foxes and badgers. Most of them were against different cat clans. This book also talks about secrets of the clans like special battle tactics or how they attack and ambush. Onestar is a cat who narrates most of the book and tells many different things among the clans and between
