I have read Commonwealth and This Is the Story of a Happy Marriage by Ann Patchett, but I wanted to read Bel Canto next before starting on any of her other books. Which I can do right away, since I have picked up three or four of her books from our library book sales. Ann Patchett is such a gifted writer, and I am glad that I finally read Bel ...

~~**Book Review: Bel Canto by Ann Patchett**~~ ~~—~~ ~~A Novel Look~~

Ann Patchett has written a novel that is as lyrical and profound as it is unforgettable. Bel Canto engenders in the reader the very passion for art and the language of music that its characters discover. As a reader, you find yourself fervently wanting this captivity to continue forever, even though you know that real life waits on the other side of the garden wall.

~~**Teaching Review: Bel Canto by Ann Patchett**~~ ~~—~~ ~~FictionMatters~~

Bel Canto by Ann Patchett. This is the most unusual book I have every read. I enjoyed it very much. I gave me many insights into the minds of the kidnaped as well as the kidnappers. I recommend this book to anyone who likes a deep story line with realistic and compelling characters. It a page turner.

~~**Review: Bel Canto by Ann Patchett**~~ ~~—~~ ~~Books | The Guardian~~

Bel Canto seems to be the Marmite of novels – you either love it or hate it. The one person in my book group who prefers non-fiction to fiction was captivated by it. She described the wonders of the characters and events in great detail. She described with great feeling incidents that had left me untouched.

Ann Patchett is one of the most intelligent writers working today. Her writing is superb but it’s her ability to draw you in and want to know what will happen next that sets her apart. Bel Canto is one of my top ten books. I did not want to put the book down and was a bit sad when it was all over.

~~*Bel Canto [Movie Tie-in]: A Novel by Ann Patchett*~~ ~~---~~

Bel Canto is a novel by Ann Patchett that was first published in 2001.

When terrorists seize hostages at an embassy party, an unlikely assortment of people is thrown together, including American opera star Roxanne Coss, and Mr. Hosokawa, a Japanese CEO and her biggest fan.

Since their mother's death, Tip and Teddy Doyle have been raised by their loving, possessive, and ambitious father. As the former mayor of Boston, Bernard Doyle wants to see his sons in politics, a dream the boys have never shared. But when an argument in a blinding New England snowstorm inadvertently causes an accident that involves a stranger and her child, all Bernard Doyle cares about is his ability to keep his children—all his children—safe. Set over a period of twenty-four hours, Run takes us from the Museum of Comparative Zoology at Harvard to a home for retired Catholic priests in downtown Boston. It shows us how worlds of privilege and poverty can coexist only blocks apart from each other, and how family can include people you've never even met. As in her bestselling novel Bel Canto, Ann Patchett illustrates the humanity that connects disparate lives, weaving several stories into one surprising and endlessly moving narrative. Suspenseful and stunningly executed, Run is ultimately a novel about secrets, duty, responsibility, and the lengths we will go to protect our children.

Sabine—twenty years a magician's assistant to her handsome, charming husband—is suddenly a widow. In the wake of his death, she finds he has left a final trick; a false identity and a family allegedly lost in a tragic accident but now revealed as very much alive and well. Named as heirs in his will, they enter Sabine's life and set her on an adventure of unraveling his secrets, from sunny Los Angeles to the windswept plains of Nebraska, that will work its own sort of magic on her.

This Is the Story of a Happy Marriage is an irresistible blend of literature and memoir revealing the big experiences and little moments that shaped Ann Patchett as a daughter, wife, friend and writer. Here, Ann Patchett shares entertaining and moving stories about her tumultuous childhood, her painful early divorce, the excitement of selling her first book, driving a Winnebago from Montana to Yellowstone Park, her joyous discovery of opera, scaling a six-foot wall in order to join the Los Angeles Police Department, the gradual loss of her beloved grandmother, starting her own bookshop in Nashville, her love for her very special dog and, of course, her eventual happy marriage. This Is the Story of a Happy Marriage is a memoir both wide ranging and deeply personal, overflowing with close observation and emotional wisdom, told with wit, honesty and irresistible warmth.

#1 New York Times Bestseller The acclaimed, bestselling author—winner of the PEN/Faulkner Award and the Orange Prize—tells the enthralling story of how an unexpected romantic encounter irrevocably changes two families’ lives. One Sunday afternoon in Southern California, Bert Cousins shows up at Franny Keating’s christening party uninvited. Before evening falls, he has kissed Franny’s mother, Beverly—thus setting in motion the dissolution of their marriages and the joining of two families. Spanning five decades, Commonwealth explores how this chance encounter reverberates through the lives of the four parents and six children involved. Spending summers together in Virginia, the Keating and Cousins children forge a lasting bond that is based on a shared disillusionment with their parents and the strange and genuine affection that grows up between them. When, in her twenties, Franny begins an affair with the legendary author Leon Posen and tells him about her family, the story of her siblings is no longer hers to control. Their childhood becomes the basis for his wildly successful book, ultimately forcing them to come to terms with their losses, their guilt, and the deeply loyal connection they feel for one another. Told with equal measures of humor and heartbreak, Commonwealth is a meditation on inspiration, interpretation, and the ownership of stories. It is a brilliant and tender tale of the far-reaching ties of love and responsibility that bind us together.

Heart of Darkness meets The Poisonwood Bible in the most ambitious and mesmeric book yet from the Orange prize-winning author of Bel Canto.

The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett’s prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of These Precious Days is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks’ short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom’s brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her

experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer’s eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo’s children’s books (author of The Beatryce Prophecy) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz’s Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author’s grace, wit, and warmth, the pieces in These Precious Days resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

Finalist for the Pulitzer Prize New York Times Bestseller | A Read with Jenna Today Show Book Club Pick | A New York Times Book Review Notable Book | TIME Magazine's 100 Must-Read Books of 2019 Named one of the Best Books of the Year by NPR, The Washington Post; O: The Oprah Magazine, Real Simple, Good Housekeeping, Vogue, Refinery29, and Buzzfeed Ann Patchett, the #1 New York Times bestselling author of Commonwealth, delivers her most powerful novel to date: a richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. The Dutch House is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family from poverty to enormous wealth. His first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril’s son Danny, as he and his older sister, the brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, The Dutch House is a dark fairy tale about two smart people who cannot overcome their past. Despite every outward sign of success, Danny and Maeve are only truly comfortable when they’re together. Throughout their lives they return to the well-worn story of what they’ve lost with humor and rage. But when at last they’re forced to confront the people who left them behind, the relationship between an indulged brother and his ever-protective sister is finally tested.

In 1992, celebrated novelist Ann Patchett launched her remarkable career with the publication of her debut novel, The Patron Saint of Liars. On this 25th anniversary, read the best-selling book that is “beautifully written . . . a first novel that second- and third-time novelists would envy for its grace, insight, and compassion” (Boston Herald). St. Elizabeth’s, a home for unwed mothers in Habit, Kentucky, usually harbors its residents for only a little while. Not so Rose Clinton, a beautiful, mysterious woman who comes to the home pregnant but not unwed, and stays. She plans to give up her child, thinking she cannot be the mother it needs. But when Cecilia is born, Rose makes a place for herself and her daughter amid St. Elizabeth’s extended family of nuns and an ever-changing collection of pregnant teenage girls. Rose’s past won’t be kept away, though, even by St. Elizabeth’s; she cannot remain untouched by what she has left behind, even as she cannot change who she has become in the leaving.
