#### Boilerplate Clauses International Commercial Contracts

With the aim of creating an autonomous regime for the interpretation and application of the contract, boilerplate clauses are often inserted into international commercial contracts without negotiations or regard for their legal effects. The assumption that a sufficiently detailed and clear language will ensure that the legal effects of the contract will only be based on the contract, as opposed to the applicable law, was originally encouraged by English courts, and today most international ...

Boilerplate clauses. Clauses that usually appear at the end of a contract. Sometimes they are referred to as the "miscellaneous" clauses. Such term refers to the relatively standardised clauses in contracts, which are often agreed with little or no negotiation and found towards the end of an agreement. While perhaps not as commercially sensitive as other terms in a contract and consequently often overlooked, they nevertheless perform a valuable and useful purpose in a contract.
