Writers Wrap Up: Character
Development in Storytelling

...

While the title of the book is "Character Development and Storytelling for Games," the book really focuses more heavily on the latter. I was expecting the former, but by no means am I complaining! I have been able to break through blocks in my own role as a writer for this project.

A role-playing game (sometimes spelled roleplaying game; abbreviated RPG) is a game in which players assume the roles of characters in a fictional setting. Players take responsibility for acting out these roles within a narrative, either through literal acting, or through a process of structured decision-making regarding character development. Actions taken within many games succeed or fail ...

Character Development Step
1. Introduce him early, by
name. The biggest mistake
new writers make is

Get Free Character Development And

introducing their main character too late. As a rule he should be the first person on stage and the reader should be able to associate his name with how they see him. Naming your character can be almost as stressful as naming a newborn.
