Dragons, a prophecy, a curse and a reverse harem of the most important dragons. It's crazy tempting and honestly not that bad if you really like all these elements even if it's done a little bland. The beginning is good, I love the thief idea and to use it as a way to Dragon's Fire is smushed together version of the whole blood prophecy series, five tiny books make for a one long ass read duh.

Dragon's Fire (Blood Prophecy, #1 To #5) by Lili Zander

Reverse harem- dragon style..... Wonderful addition to the series. In this book we learn that the Zmaj can work together especially if it involves sharing their "treasure". Piper is a very determined woman and strong despite her illness. She showed resourcefulness in the way she worked out how to communicate with her dragons.

The last of her kind. Four hot alpha mates. A legacy of bloodshed. When Ren Landis goes looking for excitement on her 21st birthday, getting kidnapped is a little more than she bargained for. So is finding out that shifters exist-and that she's one too. As the last of the dragon shifters, she's got a role to fulfill: Take the alphas of the four shifter groups as her mates and unite all shifter kind. No pressure, right? Too bad Ren's fate isn't as simple as getting it on with four scorching-hot guys. Someone is out for dragon shifter blood, intent on finishing the massacre they started years ago. If Ren can't figure out how to kickstart her buried powers, her life's about to go down in flames.

Three irresistible dragon men, one mate.Undeniable attraction, inescapable danger. Dragon shifter Ariana West will do anything for the men she's falling in love with, including take on a sketchy mission for an alpha she despises. Their task is to retrieve treasure from a shifter whose name sparks fear in the shifter world. One problem, however: he's the father of one of her partners. As the four dragon shifters navigate a forest too dense for their powers, they encounter trials and revelations that test the boundaries of their budding relationships and cause them to question the very fabric of their fates. Retrieving the treasure is only half the job. Once they find it, they have to get out of the forest with their lives-and love-intact. Dragon Unbroken is the second book in a reverse harem trilogy featuring one strong female dragon shifter and the three hot-as-sin dragon shifters who win a place in her company...and in her bed.

Three dragons. One woman. A reverse harem fantasy that will leave you breathless and begging for more... Dareena Sellis is a nobody. The orphaned daughter of a no-name farmer, she toils away as a serving girl at Hallowdale Inn, her only marriage prospects either shipping off to war, or pawing at her skirts with their grubby, gnarled hands. But fate takes a strange turn the day a dragon huntress comes to town. Suddenly, Dareena is swept off to Dragon's Keep, trading in her raggedy dresses for silken gowns, her closet-sized room for feather pillows and spacious gardens, and her miserable suitor for three very handsome, veryvirile dragon princes. For Dareena is not a nobody. She is the Dragon's Gift--the one woman chosen by the gods every century to bear children for the future king of Dragonfell. Despite her pre-ordained path, Dareena's fate is far from certain. The crown has not given birth to more than one son in nearly a thousand years, and the line of succession is far from clear. Neither of the princes are willing to cede Dareena to the other, and yet she must choose. For the enemy is knocking on Dragonfell's door, and Dareena's decision could either mean the kingdom's salvation... ..or annihilation.

Dragon shifters have a horrific habit of kidnapping human children to sacrifice to their goddess. They miscalculated when they took expert thief Yara Parmstone ' s little brother, though. Now, Yara is out for revenge—after she finds the final key that will allow her to save him. But the three scorching hot, mysterious men who hold that key have a message for Yara—the dragon goddess has something important in store for her. Too bad it ' s not as fun as a forked dragon tongue. Soon, Yara ' s racing against time to steal back her brother before his fate—and hers—are sealed.

Discovering you may be the last dragon shifter alive-and that you're destined to take four hot alpha shifters as your mates-can throw a girl for a bit of a loop. But now that Ren is getting her powers and her enemies under control, her confidence is growing. A little hike into the mountains to uncover her mother's last secret seems like no big deal with her guys by her side. Too bad life has other plans. The farther Ren goes, the more other secrets surface. Secrets that threaten the fragile peace between the shifters and the fae. Secrets that could destroy the bond Ren's forming with her mates. With unexpected enemies around every corner, it'll take all her newfound strength to survive the fray.

Four sexy dragons...and a treasure that can tear them apart. I never thought I ' d love again. But I ' m falling, and falling hard. And now, I ' d do anything for my men, even if it means risking my life for a job half a world away. The job is risky and takes us far from home, but for these men, I ' ll do anything. Fighting for this prize will test the fragile trust we ' ve built. We have to win or we risk losing not only our love, but our lives. They can make me come when they breathe.I used to be the galaxy's first daughter-its princess. In a devastating attack on my homeworld, I am taken by the enemy, evaluated like common cattle, and prepared to be sold. Then four dragons burst in and burn the place down. They save me. But it isn't safe for me to return to Nidia, so they take me to their planet, Telia II, instead. Brynn, Argon, Sharpe and Canavan are outcasts; the other alien races fear their great power. They protect me, treasure me, test my limits and chastise me when I disobey their strict rules. But what future can we have, when I must return to my duties and piece together my shattered planet, while they will never be accepted by anyone?This is a standalone reverse harem not a love triangle. It features dragon shifters doing dragony things, including setting things on fire, BDSM and spanking. Stolen from her homeland. Separated from her mates. Is there any hope for Dareena and her dragons? Or is their kingdom destined to fall? When Drystan and his brothers managed to drive their madness-stricken father from the throne, Dareena thought the worst of their troubles were over. But the elves are knocking at their door, demanding reparations, and with a new general at the helm, they will not let Dragonfell off the hook so easily. To buy their kingdom time, and save their armies from certain destruction, Dareena and Alistair allows themselves to be taken to Elvenhame, where they will be held hostage until the countries can come to an agreement. But while the two kingdoms squabble, the real enemy continues its insidious assault. Both Dragonfell and Elvenhame unknowingly teeter on the brink of destruction, and unless Dareena and her mates can uncover the true conspiracy, their world will fall to darkness...

A stolen crown. A daring heist. And a treasure worth more than life itself. My guys and I have been enjoying our lives, running our business, and reveling in our love.
