Dualed 1 Elsie Chapman

Elsie Chapman's debut *Dualed* is one of the best dystopian novels I've read since *The Hunger Games* and *Divergent*. For me, it was the action, philosophical elements, and strong female heroine of *Dualed* that put it in the same league as these successful predecessors.

Book review of *Dualed* by Elsie Chapman. *Dualed* had the potential to blow me away: an interesting concept where in a futuristic world where it's killed or be killed by your genetic twin, a badass heroine trained in knives and guns and lethal with both, and the tension of a would-be romance.
