CMS allows an EP to designate a third party to register and attest on his or her behalf. To do so, users working on behalf of an EP must have an Identity and Access Management System (I&A) web user account (User ID/Password), and be associated with the EPs National Provider Identifier (NPI). If you are working on behalf of one or more EPs and do not have an I&A web user account, please visit I&A Security Check to create one.
