passage. Then answer the questions below.

When we are young, we learn that tigers and sharks are dangerous animals. We might be scared of them because they are big and powerful. As we get older, however, we learn that sometimes the most dangerous animals are also the smallest animals.

English in the World - a new title for the current English as a global language; Language and the self - a new topic that concentrates on the relationships between language and thought, and language and social identity. This change was made after consultation with centres, who felt the current topics in Paper 4 were not discrete enough.

4. Hand out worksheet 1 and ask the learners, in pairs, to change the prompts into questions. Check this with the group.
5. Ask the learners to complete the table individually with their own ideas, in note form. Tell them not to worry about producing full sentences using the target language yet.
