Entrepreneurship: Successfully Launching New Ventures explores the allure of entrepreneurship, teaching students how to successfully launch and grow their own business. Using real business profiles of inspiring young entrepreneurs, the text engages students through relevant examples they can easily relate to. The 6th Edition examines entrepreneurship through an easy, four-step process that clearly outlines both the excitement and difficulty of launching a new company. Careful to identify failures as well as successes, the text is a guide to starting a new business.

'Entrepreneurship' takes students on the entire journey of launching a new business venture, placing a unique emphasis on the front end of the entrepreneurial process.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Entrepreneurship: Launching New Ventures introduces readers to the process of entrepreneurial success and shows them how to be effective every step of the way.

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Student Value Editions that include MyLab(tm) or Mastering(tm), several versions may exist for each title -- including customized versions for individual schools -- and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering platforms. For courses in entrepreneurship. Teach the entrepreneurial process through real-world examples Entrepreneurship: Successfully Launching New Ventures explores the allure of entrepreneurship, teaching students how to successfully launch and grow their own business. Using real business profiles of inspiring young entrepreneurs, the text engages students through relevant examples they can easily relate to. The 6th Edition examines entrepreneurship through an easy, four-step process that clearly outlines both the excitement and difficulty of launching a new company. Careful to identify failures as well as successes, the text is a guide to starting a new business. Also available with MyLab Entrepreneurship By combining trusted authors' content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. NOTE: You are purchasing a standalone product; MyLab(tm) Entrepreneurship does not come packaged with this content. Students, if interested in purchasing this title with MyLab Entrepreneurship, ask your instructor to confirm the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you're thinking of opening up your own business, you'll need this book. This is a hands-on book that focuses on the tasks that you or any new business owner must complete in the first 100 days of launching a business. Think of it this way: Imagine you've conceived a business idea, written a business plan, raised seed capital, and are set to launch your business on October 1. Now, what would you actually do on October 1, October 2, October 3, and so forth? How would you set your priorities? How would you know which tasks are the most urgent? Although the answers to these questions vary depending on the business, there are a set of key activities that all businesses must accomplish to get their businesses off to a good (and legally proper) start. This book provides examples that include securing proper business licenses and permits; setting up a bookkeeping system; negotiating a lease; buying insurance; entering into contracts with vendors; recruiting and hiring employees; and making the first sale. Broader issues such as developing a business model and building a brand will also be touched upon, but the primary focus of this book is getting you focused on the practical

issues that you'll need, as a new business owner, to accomplish, and accomplish correctly, and to get your business off to a good start. To help you prioritize and track the activities that must be completed at the onset of a business, this book will teach you how to set up a "First 100 Days Plan," with the template (titled First 100 Days Plan) included in this book.

LAUNCHING NEW VENTURES, 7e provides tomorrow's entrepreneurs with the tools to launch a successful new business in a global marketplace. The text follows the logical development process: from initial idea, to developing and testing a business model, to designing a business and preparing for growth. The seventh edition represents the most current thoughts, ideas, and practices in the field of entrepreneurship. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"This book dispels the myths surrounding the process of starting a business, and gives hope and encouragement to people who would like to give it a try." – Tim Berry , Founder and CEO, Palo Alto Software Creators of the World's Most Popular "Bruce Barringer and Duane Ireland's new book, What's Stopping You? is an insightful and thought-provoking examination of nine common myths that discourage individuals from starting new businesses. ... This book is much-needed and long overdue... The value of What's Stopping You? is that it effectively debunks the false premises that too often preclude acts of business start up. What's Stopping You? is an encouraging, instructive, and eloquently written book that would be a valuable addition to any aspiring entrepreneur's bookshelf." Jeffrey G. Covin , Samuel and Pauline Glabinger Professor of Entrepreneurship, Kelley School of Business, Indiana University, Bloomington, Indiana "Over the years I have observed many seemingly great business opportunities never get off the ground. Quite often, what holds these aspiring entrepreneurs back are common misconceptions about the difficulties and risks of starting a new business. In What's Stopping You?, Professors Barringer and Ireland systematically break down the myths that hold many entrepreneurs back from pursuing their dreams." Jeffrey R. Cornwall , The Jack C. Massey Chair in Entrepreneurship, Belmont University, Nashville, Tennessee "Barringer and Ireland simultaneously demystify start-up misconceptions and empower readers to explore their own opportunity with renewed passion. Many prospective entrepreneurs feel trapped by myths, the authors carefully detail the myth's fallacies and encourage the reader to see beyond start-up stereotypes. Future and experienced entrepreneurs have much to learn from What's Stopping You?" Sarah Schupp , Founder/CEO, University Parent Media, Boulder, Colorado "Creating your own business from scratch can be a mental, emotional, and financial roller coaster ride. Bruce Barringer and Duane Ireland's book provides a 'voice of reason' and helps give you the confidence to realize you can do it. They recognize that starting a business is hard work, but that it is attainable—and that you should celebrate your accomplishments every step of the way." Jan Stephenson Kelly , Cofounder/CEO, Spark Craft Studios, Cambridge, MA Business Plan Software Follow Your Dream! Start Your Own Winning Business—Now! •Get past the myths that keep you from making the leap •Gain the practical skills and confidence you need to succeed •Quickly evaluate business ideas and pick a winner •Launch your company and watch it grow and profit Build the business you've always dreamed of! Take control of your future and achieve the breakthrough success that's only possible when you're working for yourself. You can do it—and this book will show you how. Forget the myths that have been standing in your way. You don't need to be rich. You don't need extensive business experience. You don't need to be a genius. You don't need a revolutionary product or service. You can handle the risk, the competition, and the challenges. The proof's on every page of this book: case studies of "ordinary" people building great businesses and practical techniques you can use, too—every step of the way!

3 indispensable insider's guides to entrepreneurship: powerful skills, insights, and confidence-builders you won't find anywhere else! Three books bring together today's most indispensable lessons for entrepreneurs: specific guidance you can use right now to beat the odds and launch a high-profit, high-growth business that lasts! The Truth About Starting a Business reveals 53 bite-size, easy-to-use techniques for choosing the right business, location, and entry strategy... planning, funding, hiring, and executing a successful launch... implementing effective financial management and marketing... doing all that, and still maintaining a healthy personal life! So, You Want to Start a Business?: 8 Steps to Take Before Making the Leap gives you all the knowledge, tools, and hands-on advice you need to avoid 8 "killer mistakes" that cause most business failures. Unlike most books for entrepreneurs, this one focuses on the most crucial operational issues associated with consistent profitability – from product/service design to pricing, finding and keeping great employees to managing growth. Nothing theoretical here: this is fast-paced, 100% practical advice you can use right now. Finally, What's Stopping You?: Shatter the 9 Most Common Myths Keeping You from Starting Your Own Business helps you get past the myths that keep potential entrepreneurs from making the leap, and gain all the practical skills and confidence you need to succeed. This book's packed with case studies of "ordinary" people building great businesses – and practical techniques you can use, too – every step of the way! From world-renowned leaders and experts, including Bruce Barringer, Edward D. Hess, Charles D. Goetz, and R. Duane Ireland
