The textbook and readings that teach students how issues in our global society connect to their own lives.

This best-selling comprehensive book conveys the relevance of sociology by including a timely collection of theories, research, and examples--including its signature first-person accounts that open chapters. Experiences represented in these opening vignettes accurately mirror the richness and complexity of society, while also establishing the themes that

Acces PDF Essentials Of Sociology 9th Edition

are carried throughout the chapters. Author Diana Kendall's vivid, inviting writing style, emphasis on applications, eye for the most compelling current examples, and use of assignable photo essays and companion videos engage readers and further highlight sociology's relevance to all students. Now in its Ninth Edition, **SOCIOLOGY IN OUR TIMES** is acclaimed in the field for being the first textbook to integrate race, class, and gender issues, and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism. Now in its eighth edition, this continues to be the indispensable guide to understanding the world we make and the lives we lead. Revised and updated throughout, it remains unrivalled in its vibrant, engaging and authoritative introduction to sociology. The authors provide a commanding overview of recent global developments and new ideas in sociology. Classic debates are also given careful coverage, with even the most complex ideas explained in an engaging way. Written in a fluent, easy-to-follow style, the book manages to be intellectually rigorous but still very accessible. With a strong focus on interactive pedagogy, it aims to engage and excite readers, helping them to see the enduring value of thinking sociologically. The eighth edition includes: a solid foundation in
