gifts, even played football,
and peace found a place in
No Man's Land.

In *Feminine Gospels*, Carol Ann Duffy draws on the historical, the archetypal, the biblical and the fantastical to create various visions - and revisions - of female identity. Simultaneously stripping women bare and revealing them in all their guises and disguises, these poems tell tall stories as though they were true confessions, and spin modern myths from real women seen in every aspect - as bodies and corpses, writers and workers, shoppers and

slimmers, fairytale royals
or girls-next-door. 'Part of
Duffy's talent - besides her
ear for ordinary eloquence,
her gorgeous, powerful,
throwaway lines, her
subtlety - is her
ventriloquism . . . From
verbal nuances to mind-
expanding imaginative leaps,
her words seem freshly
plucked from the minds of
non-poets - that is, she
makes it look easy'
Charlotte Mendelson,
Observer

Written in Middle English
during the Tudor period,
"Everyman" is the most
famous example of the
medieval morality play.

Online Library Everyman

Carol Ann Duffy

Popular in Europe during the 15th and 16th century, morality plays were allegorical dramas in which the protagonists are met with the personifications of personal attributes and tasked with choosing either a good and godly life or evil. "Everyman" is the archetypal morality play, as the main character, Everyman, represents all of mankind. God, frustrated with the wicked and greedy, sends Death to Everyman and summons him to account for his misdeeds and sins. It was believed that God tallied all of one's good and evil deeds in life and then one must provide an

Online Library Everyman Carol Ann Duffy

accounting before God upon one's death. During Everyman's pilgrimage to God, he meets many characters, such as Fellowship, Good Deeds, and Knowledge. Everyman asks them all to join him in his journey so that he may improve his reckoning before God. In the end, it is only Good Deeds that stays with him before God and helps Everyman find salvation and eternal life. In addition to "Everyman," this volume contains several other morality plays from medieval Europe. This edition is printed on premium acid-free paper.

Duffy on which the play is based.

A new, feminist translation of Beowulf by the author of the much-buzzed-about novel *The Mermaid Wife* Nearly twenty years after Seamus Heaney's translation of Beowulf—and fifty years after the translation that continues to torment high-school students around the world—there is a radical new verse translation of the epic poem by Maria Dahvana Headley, which brings to light elements that have never before been translated into English, recontextualizing the binary narrative of monsters and

Online Library Everyman

Carol Ann Duffy

heroes into a tale in which the two categories often entwine, justice is rarely served, and dragons live among us. A man seeks to prove himself as a hero. A monster seeks silence in his territory. A warrior seeks to avenge her murdered son. A dragon ends it all. The familiar elements of the epic poem are seen with a novelist's eye toward gender, genre, and history—Beowulf has always been a tale of entitlement and encroachment, powerful men seeking to become more powerful, and one woman seeking justice for her child, but this version brings new context to an old

Online Library Everyman Carol Ann Duffy

story. While crafting her contemporary adaptation of Beowulf, Headley unearthed significant shifts lost over centuries of translation.
