but also in answering the questions. Based on the Previous year papers we have divided the book into two sections as: 1. Theoretical, and 2. Case Studies (based on actual or probable life situations), carrying various questions from previous years (2013-2017) asked by UPSC in CSE. Section 1 pertains to the theoretical questions to be answered with the help of subject basics, principles and other relevant information on the subject. Section 2 contains the case studies, the applied part of our understanding of the subject. It contains real-life situations in which an individual is likely to face in his personal or professional life requiring a careful analysis of the situation before answering

The recruitment process for jobs in the Civil Service is tough. Competition is fierce, especially for applicants entering via the Fast Stream process, and candidates must pass qualifying tests to stand a chance of being successful. *How to Pass the Civil Service Qualifying Tests* aims to help applicants reach the standard demanded by the real tests and ultimately achieve their goal of working for the Civil Service. This fully updated fourth edition includes all the key aspects of how to pass the test, including guidance on standard entry; information on Fast Stream success; questionnaires that you are likely to encounter; work assignment examples and expert advice. Also including vital practice material for the online tests and e-tray exercises, this essential book will help you build up speed, accuracy and confidence when taking the Civil Service qualifying tests.
