The Canadian Edition of Weygandt, Kieso, Kimmel, Trenholm, Kinnear, Atkins, Principles of Financial Accounting has been carefully developed to make the subject of accounting clear and fascinating to students. Our passion is to empower students to success by giving them the tools and the motivation they need to excel in their accounting courses and their future careers. The book has been praised by students and instructors across the country for its outstanding visual design, its carefully integrated pedagogy, currency and accuracy of material, and its excellent writing style and clarity of presentation.

Get where you need to be with **CORNERSTONES OF FINANCIAL ACCOUNTING**. Cornerstones delivers a truly unique learning system that is integrated through the entire introductory managerial accounting journey — ensuring students will leave the course with the knowledge they need to be future business leaders. Students are guided through: **Building A Strong Foundation**: Students need to build a strong foundation of the fundamentals before they can move forward in this course. The unique Cornerstones approach gets them through the fundamentals **FASTER** so that they can transition to analyzing and applying concepts. **Understanding Relationships**: Rather than focusing on concepts in isolation, students should understand accounting as a system and recognize how the end result changes based on how the numbers affect each other. **CORNERSTONES** aids students in this step as an important part in training them to be good decision makers. **Making Decisions**: Armed with the knowledge they have gained from working through the other aspects of the Cornerstones approach, students are now given the tools to bring their knowledge full-circle and practice making good business decisions. Students love this approach because it presents materials the way they learn. Instructors love it because it gets students to master the foundations more quickly and allows more time to learn and apply the analysis and decision making of accounting. **Get There with Cornerstones!** Available with InfoTrac Student Collections <http://gocengage.com/infotrac>. **Important Notice**: Media content referenced within the product description or the product text may not be available in the ebook version.

Whether students become accountants or managers, business owners or bankers, it is important that they understand the nature of financial reporting and how the decisions made by managers affect corporations. Financial Accounting will provide students with a succinct, interactive and coherent introduction to basic financial accounting concepts combined with a strong focus on the use of financial accounting information. **KEY TOPICS**: The Financial Statements; Recording Business Transactions; Accrual Accounting and the Financial Statements; Cash and Receivables; Inventory and Cost of Goods Sold; Property, Plant, and Equipment, and Intangible Assets; Investments and the Time Value of Money; Liabilities; Shareholders' Equity; The Statement of Cash Flows; Financial Statement Analysis **MARKET**: For students in Introduction to Financial Accounting courses seeking a practical and engaging learning experience.

Canadian Financial Accounting Cases, 3rd edition has been developed to bridge the gap between the foundational concepts and the real world. Students are introduced to the case study methodology for financial accounting, which focuses on identifying the issue, understanding implications, developing alternatives, and making recommendations. Students must also be able to understand the overall financial reporting landscape and the overall impact of the individual accounting issues. The cases range from introductory level to advanced level and can be used as assignments, exams, or for in-class discussions. The cases have been developed using IFRS (Part I), ASPE (Part II) or ASNPO (Part III) as the accounting frameworks, providing students with exposure to many different types of organizational structures, and have been linked to the CPA Competency Map. Instructors are provided with detailed teaching notes and marking keys that will assist in guiding the class discussions and assessments.

Students get accounting when using Kimmel Financial Accounting with WileyPLUS (access to WileyPLUS is not included with this textbook) because we make learning accounting easy and accessible for today's different types of learners. Written in a concise, clear, and conversation way, Kimmel Financial Accounting provides just the right amount of information students need to come to class prepared, while powerful visuals and Interactive Tutorials make complex accounting concepts possible to absorb quickly. Starting with the big picture of financial statements first, Paul Kimmel shows students why financial accounting is important to their everyday lives, business majors, and future careers. This best-selling financial accounting text is known for the most relevant and easy to understand examples, while teaching students the accounting cycle through the lens of one consistent story of Sierra Corp, an outdoor adventure company.
