Book Review: Friends Not  
Masters Author: Mohammad Ayub  
Khan Review by Raza Bashir. Even  
though it is an autobiography that the  
author calls a political commentary,  
one gets the feeling that the author  
has tried to go over the exercise in a  
very impersonal manner. Apart from  
the chapter relating to this youth the  
author has seldom tried to go over the  
events and affairs of his life in an  
emotional context.

November 08, 2018. A genuine correlation between the two words 'friends' and 'masters' is only half true. Either individuals, groups or the nations would be friends or in a subject-master relationship but not co-existing as masters as well as friends. In foreign policy absolute friendship amongst the nations is only a myth.
