This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish rorindicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Answer key available for download from the "features" tab on the publisher's website.

A primary Spanish course for children that fosters active communication through the teaching of everyday vocabulary and structures.

En español is a multi-level Spanish program for middle school and high school that provides a balanced approach to proficiency and grammar along with interdisciplinary features and projects to build confident communicators.

Integrating grammar and composition, this comprehensive new edition guides the advanced student through progressively more complex types of writing by organizing the grammar lessons on a functionalist basis around the needs of composition. This innovative approach to teaching Spanish grammar and composition promotes systematic language development and enables students to strengthen their expressive and editing skills in the language in order to write more effectively and more confidently. Refined by years of classroom testing and analysis of the problems students encounter, this bestselling textbook has been substantially rewritten and incorporates current research in composition, pedagogy, second-language acquisition, and linguistics. Expanded self-correcting exercises are also available online, making Gramática para la composición one of the most valuable textbooks available for advanced students of Spanish. FEATURES: • Focuses on work in six level-appropriate types of composition: description, synopsis, personal narrative, creative narrative, exposition, and argumentation • Based on ACTFL guidelines for students progressing from intermediate to advanced levels of proficiency • Structured around writing cycles, from prewriting to composition to revision • Integrates grammar into the preparation for each type of writing • Covers syntax, dictionary skills, problematic word distinctions, and rhetorical features of discourse structure • Contains exercises on grammar practice, working with sentences and paragraphs, guided essays, and free composition NEW TO THE SECOND EDITION: • Each lesson has been clearly divided into two distinct parts: Presentación (material that students prepare before class) and Aplicación (the activities they do in class or as homework) • Prácticas individuales have been expanded and recreated as self-checking exercises that provide immediate feedback and scoring. These prácticas are available for free online at www.gramaticaparatacomposicion.com • Images from William Bull's Visual Grammar of Spanish help with distinctions that seem difficult • An Instructor's Manual—available for free online—reviews teaching and grading methodology for writing-intensive courses, offers suggestions for syllabus organization and for teaching each lesson, and provides additional exercises and activities.
