from GM's archives and
Corvette team

members. Corvette is
Chevrolet's iconic
performance car. Its
importance to the brand
cannot be overstated.

Thus each new
generation is sweated by
Chevy's designers,
engineers, marketing
staff, and executives to
ensure that it sets the
bar higher than the

Where To Download

preceding version. With the eighth generation, Chevrolet has done more than raise the bar or move the goalpost--they've torn down the stadium and started from scratch. For the first time ever in a production version, the new Corvette features a mid-engine configuration. Though Corvette engineers have

Where To Download

Experimented with this engine placement over the past several decades, 2020 marks the first time GM has committed it to production cars. Corvette already had prodigious power on tap, but its front-engine configuration put some limitations on its handling and traction. The new mid-engine Corvette eliminates any
