You can't deny We're left as shells We lost the fight And we had magic And this is tragic You couldn't keep your hands to yourself Oh, I feel like our world's been infected And somehow you left me neglected We've found our life's been changed 'Cause babe, you lost me Now I know you're sorry And we were sweet But you chose lust when you deceived me

Christina Aguilera - You lost me Lyrics & traduction

We leave our pieces on the ground. We see no end, we don't know how. We are lost and we're fallen. Hold on to me, you're all I have. All I have. Hold on to me, you're all I have. All I have. Now and then there's a light in the darkness. Feel around 'til you find where your heart went.

Rob Thomas - Pieces Lyrics | MetroLyrics

You had me, you lost me And now you want me back You fucked around and played around And now your feeling sad. You had me, you lost me And now you want me back You fucked around and played around And now your feeling sad. How should I start it off, you must have thought me soft Like it was all good to move on and cross me off

Willem Prins wanders the streets of Paris, disillusioned and glum. Once, he showed great promise as a South African writer of distinction, but years of disappointment have left their mark. Drowning himself in the Seine may well be the only option left to drive up his book sales. His reason for being in Paris || the French translation of an erotic novel he wrote under a pseudonym || is not exactly something to be proud of. He is no stranger to Paris. An ex-wife of his (one of three) lives in the city with his eldest son, a young man who barely knows his father. Willem finds an unlikely companion in Jackie, a young South African working as an au pair in the city, a woman old enough to be his daughter. Together, the two of them will face the chaos of the terror attacks on Friday the thirteenth in Paris. You Lost Me is bestselling author Marita van der Vyver's thirteenth novel, a story about life's thunder clouds and the bonds between us that offer shelter. It is a tale of disillusionment and loss, told with warmth and wicked humour.

Close to 60 percent of young people who went to church as teens drop out after high school. Now the bestselling author of unChristian trains his researcher's eye on these young believers. Where Kinnaman's first book unChristian showed the world what outsiders aged 16-29 think of Christianity, You Lost Me shows why younger Christians aged 16-29 are leaving the church and rethinking their faith. Based on new research, You Lost Me shows pastors, church leaders, and parents how we have failed to equip young people to live "in but not of" the world and how this has serious long-term consequences. More importantly, Kinnaman offers ideas on how to help young people develop and maintain a vibrant faith that they embrace over a lifetime.

A dazzling debut that is at once a lightly erudite novel of ideas and a darkly charming love story set on an island off the coast of Maine-the perfect sophisticated summer read. By turns funny, charming, and tragic, Rosecrans Baldwin's debut novel takes us inside the heart and mind of Dr. Victor Aaron, a leading Alzheimer's researcher at the Soborg Institute on Mount Desert Island in Maine. Victor spends his days alternating between long hours in the sterile lab and running through memories of his late wife, Sara. He has preserved their marriage as a sort of perfect, if tumultuous, duet between two opposite but precisely compatible souls. But one day, in the midst of organizing his already hyperorganized life, Victor discovers a series of index cards covered in Sara's handwriting. They chronicle the major "changes in direction" of their marriage, written as part of a brief fling with couples counseling. Sara's version of their great love story is markedly different from his own, which, for the eminent memory specialist, is a startling revelation. Victor is forced to reevaluate and relive each moment of their marriage, never knowing is the revisions will hurt or hearten. Meanwhile, as Victor's faith in memory itself unravels, so too does his precisely balanced support network, a group of strong women-from his lab assistant to Aunt Betsy, doddering doyenne of the island-that had, so far, allowed him to avoid grieving. Rosecrans Baldwin shows himself here to be a young writer bursting with talent and imagination who deftly handles this aching love story with sensitivity and unexpected maturity. You Lost Me There is a treasure of a book filled with beautiful, intelligent prose, a book that wears its smarts lightly and probes its emotions deeply. Watch a Video

Is the Church Losing the Next Generation? More than half of all Christian teens and twentysomethings leave active involvement in church. Based on research conducted by the Barna Group, You Lost Me exposes ways the Christian community has failed to equip young adults to live "in but not of" the world--to follow Christ in the midst of profound cultural change. This wide-ranging study debunks persistent myths about young dropouts and examines the likely consequences for young adults and for the church if we maintain the status quo. The faith journeys of the next generation are a challenge to the established church, but they can also be a source of hope for the community of faith. Kinnaman, with the help of contributors from across the Christian spectrum, offers ideas for pastors, youth leaders, parents, and educators to pass on a vibrant, lasting faith, and ideas for young adults to find themselves in wholehearted pursuit of Christ.
