Covers intial business considerations for the entrepreneur, the essentials for building the business, and the negotiation process during financing.

You've got a brilliant business idea for a product or service. To move your idea from concept to reality, you need to acquire capital and start your own enterprise. There's just one problem-you don't know how to do that. You could pursue a college degree in entrepreneurship, but time is money, and before you graduate, your competitors could be profiting from your idea. You'll get quicker results by reading *Start Your Startup Right*, a comprehensive guide to commercializing your business idea. Author and award-winning entrepreneur Gregory M. Coticchia, MBA, PC, brings over thirty years of experience to bear on the startup process. You'll discover practical examples of what you should-and should not-do to get your new enterprise off the ground. You'll also master business- and product-marketing strategies and learn the eight steps needed to attract customers and make sales. Along the way, you'll read real-life examples illustrating the challenges and pitfalls of entrepreneurship. Even if you've never taken a single business course, *Start Your Startup Right* will give you all the information you need to confidently launch your company and see your dreams transformed into a commercialized product, service, or business.

40 leading venture capitalists come together to teach entrepreneurs how to succeed with their startup *The Entrepreneurial Bible to Venture Capital* is packed with invaluable advice about how to raise angel and venture capital funding, how to build value in a startup, and how to exit a company with maximum value for both founders and investors. It guides entrepreneurs through every step in an entrepreneurial venture from the legalities of raising initial capital to knowing when to change tactics. Andrew Romans is the co-founder and general partner of Rubicon Venture Capital, a venture capital fund that invests in privately held technology companies and enables its investors to co-invest along side the fund on a deal-by-deal basis via innovative sidecar funds right up to IPO or M&A exit. Romans is also the founder and general partner of The Founders Club, a venture capital equity exchange fund and investor in later stage liquidity transactions.

Dennis M Wilson (not the Beach Boy) is a successful author, consultant, and business person who has started several multi-million-dollar companies over his career. Driven by relentless pursuit to help people grow and succeed, he started Internetnextstep.com Consulting Ltd., a 20-year-young company, which is now a world-wide leader in Multilevel Marketing Software. He was first introduced to MLM in 1996 and he slowly grew his income to \$22,800 per week. In 2015, Dennis started Small Business Dream because he saw how many companies were struggling to make ends meet and he knew with his vast experience he could help them increase sales. He took what he learned from his previous companies - about automaton, data collection, and sales funnels and built them into his Small Business Dream software. Dennis now spends his time split equally between Internetnextstep.com Consulting Ltd. and its world leading MLM Software, HourADay.com the ultimate MLM prospecting and Automation tool, and Small Business Dream sales, marketing and email automation software company. He has successfully transitioned his love of helping others succeed in MLM to helping small businesses succeed in business as a sought after small business consultant.
