Honda mowers don't use model years.
They have a "version number" that is
called a K-code that is part of the

Online Library Honda Hr 216 Mower Repair Manual

model number. Some K-codes can be in production for years. Recently, certain model mowers were getting a new k-code every 12-14 months. For your mower, the digit before the VKA tells me the K-code; your HRR is a K6 model, probably built 5-7 years ago. The most current K-code for the HRR

Honda ' s maintenance schedule for the HRR216 recommends a blade inspection prior to each mower use.

Online Library Honda Hr 216 Mower Repair Manual

The blade inspection should look for any damage or warping of the blades due to contact with debris or obstructions. It should also check for any corrosion found on the blade and, if damage or corrosion is found, the blades should be replaced.
