develop shared ideas, and derive lessons from the past to better understand the future. With these eleven keys to more effective thinking, you'll clearly see the path to personal success.

In this perfectly compact read, #1 New York Times bestselling author John C. Maxwell explains how true leadership works. It is not generated by your title. In fact, being named to a position is the lowest of the five levels every effective leader achieves. To be more than a boss people are required to follow, you must master the ability to inspire and invest in people. You need to build a team that produces not only results, but also future leaders. By combining the advice contained in these pages with skill and dedication, you can reach the pinnacle of leadership—where your influence extends beyond your immediate reach for the benefit of others. Derived from material previously published in the Wall Street Journal bestseller *The 5 Levels of Leadership*.

Full of interactive questions and space for readers to provide answers, as well as new material for readers to assess their current type of thinking, this workbook guides readers in applying the lessons they learned from *How Successful People Think* or the book which it was derived from, *Thinking For A Change*. years, and here, he teaches everything he has gleaned about what it takes to reach our potential. In the way that only he can communicate, John teaches . . . The Law of the Mirror: You Must See Value in Yourself to Add Value to Yourself The Law of Awareness: You Must Know Yourself to Grow Yourself The Law of Modeling: It's Hard to Improve When You Have No One But Yourself to Follow The Law of the Rubber Band: Growth Stops When You Lose the Tension Between Where You are and Where You Could Be The Law of Contribution: Developing Yourself Enables You to Develop Others This compact read will help readers become lifelong learners whose potential keeps increasing and never gets "used up."

Defining success is a difficult task. Most people equate it with wealth, power, and happiness. However, true success is not a thing you acquire or achieve. Rather, it is a journey you take your whole life long. In a refreshingly straightforward style, John Maxwell shares unique insights into what it means to be successful. And he reveals a definition that puts genuine success within your reach yet motivates you to keep striving for your dreams. I want to help you discover your personal road map for success, teach you what it means to be on the success journey, answer many of your questions, and equip you with what you'll need to change yourself and keep growing. - John C. Maxwell

THINK DIFFERENTLY Why is it that some people are able to achieve so much success - in their personal, professional, social lives - whereas so many others are struggling? What are successful people doing differently from the failures? Are successful people wired differently from the rest of us? Is success simply encoded in their DNA? Or is it something else? And the more important question is: How can we get access to the magic ingredient that successful people have and add it to our own lives so that we too may experience more success in our lives? LEARN HOW SUCCESSFUL PEOPLE THINK DIFFERENTLY - AND HOW YOU CAN TOO This short and practical guide will inspire you to rethink how you set and achieve your goals. In How Successful People Think Differently you will learn: □Why successful people say □I don't□ instead of □I can't□ □Why successful people never suppress their desires - and what they do instead □How successful people think smart □The □if-then□ strategy that triples your chances of achieving success □The type of thinking that makes successful people successful in the first place □The wrong (and the right) way to visualize your goals (this alone will be worth the price of the book!) □The right (and the wrong) type of thinking that either sets up you up for success or failure □Simple, and sometimes surprising, success principles to help you achieve your goals □And a lot more... BASED ON INTENSIVE SCIENTIFIC RESEARCH: LEARN THE SCIENCE OF SUCCESS In the last 100 years, science has made remarkable progress in unlocking the secrets behind successful people.
