Just My Type is a book of stories about fonts. It examines how Helvetica and Comic Sans took over the world. It explains why we are still influenced by type choices made more than 500 years ago, and why the T in the Beatles logo is longer than the other letters.

Just My Type - Simon Garfield

Just My Type by Simon Garfield is a brilliant little book on a topic you would think boring beyond belief. But you would be wrong, for there is a lot to learn about how fonts and type sets affect the way we read and think. Thousands of fonts are all around us and we are affected by them in an almost subliminal manner.
