The fox knows many things, the Greeks said, but the hedgehog knows one big thing. In his most comprehensive work, Ronald Dworkin argues that value in all its forms is one big thing: that what truth is, life means, morality requires, and justice demands are different aspects of the same large question. He develops original theories on a great variety of issues very rarely considered in the same book: moral skepticism, literary, artistic, and historical interpretation, free will, ancient moral ...
