The story starts out in a steampunk world of 1870's London, England. The aristocracy are all "creatures" called Blue Bloods. They have been infected (on purpose) with a craving virus similar to vampirism except it's not quite the same.

Steel is an erotic historical paranormal (steampunk it really isn't) story that differs in the genre a bit because the hero isn't an aristocrat: he is pretty much a street rat vampire gang leader on the wrong side of town (though with the prerequisite heart of gold, of course).
