Gluten is found in wheat and some other grains. It's in foods people eat every day. Many people can eat it without problems. Others have a disease that makes gluten damage their bodies. Your Body on Gluten uncovers the nutritional benefits of foods containing gluten, how gluten interacts with the body, and how to include it as part of a balanced diet. Easy-to-read text, vivid images, and helpful back matter give readers a clear look at this subject. Features include a table of contents, infographics, a glossary, additional resources, and an index. Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of Abdo Publishing, a division of ABDO.

This comprehensive overview of logistics provides a conceptual framework for understanding the logistics system, the integration of its basic elements, and its relationship to the overall firm. Discusses both manufacturing and physical distribution, new technologies in each of these areas, and how they related to each other and to the company. New topics covered range from approaches to strategic logistics planning and multi-location inventory planning, to international logistics issues and future directions. Includes case studies.

Carbohydrates give the body energy. They are in many foods people eat each day. But some carbohydrates are healthier than others. For the aficionado of farm equipment, or the scion of an old farming family nostalgic for the old days, or the grown-up boy who still loves a classic piece of old-time machinery, the vintage tractor can be a thrilling find like no other. This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack—but far more fun to discover, as all of these delightful stories make abundantly clear.

Total Tractor! is all about tractors—from exciting vintage tractors and farming machines to the latest state-of-the-art John Deere. Galleries of colorful tractors of every kind and all their amazing attachments are interspersed with stunning images of tractors in action. There's a complete history of tractors from steam tractor to diesel, and many makes, such as Massey Ferguson, are shown in fascinating detail. Crazy contests such as tractor pulling are also featured. Total Tractor! is the must-read book for any child who is passionate about tractors.
