We are taking a trip down the Far Out archives and have uncovered this absolute gem courtesy of The Rolling Stones. It features rare footage of the group jamming whilst Mick Jagger looks on in awe in the Swiss town of Montreux before they began their legendary tour of North America in 1972. The North American tour which would follow these sessions, was named the "Stones Touring Party", was a landmark occasion marking the first time that the Stones would step foot on American soil since ...
