Maroon 5 is one of those few bands that really does catch on quickly, especially with a lot of tracks from Songs About Jane. Their latest single, Sunday Morning, the fourth single from that album, is a delightful pop song that has just a simplistic melodic beat that really is just remarkably delightful to listen to.

Maroon 5 is an alternative-rock band formed in Los Angeles, CA and is composed of members Adam Levine (vocals and guitar), James Valentine (guitar), Jesse Carmichael (keyboard), Mickey Madden (bass guitar), and Matt Flynn (drums). They haven ' t always been the platinum-selling band that they are now. Rather, the members of Maroon 5 started out like any other band did: in a garage. More specifically, Jesse Carmichael 's garage in Malibu, CA. They also didn ' t start with the moniker of Maroon 5: Previously, they were Kara 's Flowers. It wasn ' t until after a handful of changes in band members, a few deals (including Reprise Records and Warner Brothers), and a cross country trip for Adam and Jesse that they officially adopted a new name of Maroon 5 in 2001. Maroon 5 released their first album in mid-2002, then hit the road on the Jeep World Outside tour with other notable up-and-comers like Train and O.A.R. and with Sheryl Crow headlining. After that tour, they opened for John Mayer in early 2003. Guitarist James Valentine had actually become friends with John Mayer back in 1996 at Berklee College of Music. When they ran into each other again in 2002, John Mayer listened to Maroon 5 's music and loved it, so he invited them to go on tour with him. Maroon 5 didn ' t stop touring there, though. In fact, they continued touring for almost two more years, bringing their total time spent non-stop on the road to a little more than three years! One of the band 's

favorite experiences during this time was opening for The Rolling Stones.

It ' s my favourite season! Rains are always a metaphor for washing away all the negativity and now more than ever, we need a good cleanse. Rains also bring with them the bounty of lush greenery and pleasant weather. Speaking of drinks, this month I have listed down my favourite stouts by popular demand. I hope all you hop heads enjoy this list. Do let me know your favourites that I should try next. This edition also has a unique 'Local Tipple ' section this month. We deep dive into Mumbai's Koli community and sneak a peek into their fascinating drinking culture. Keeping your health and seasonal sniffles in mind, we have also compiled a list of drinks that you should 'give a shot ' to drive away cold and cough. My favourite has always been my grandmother ' s 'kaadha' with a dash of cognac or brandy, but I don't mind a shot of Ja gger once in a while. Hope you enjoy reading this issue. As always, stay home, stay safe. Until next time, Cheers!

A musical tale of collegiate a cappella filled of high notes, high drama, and high jinks that inspired the hit films Pitch Perfect and Pitch Perfect 2. Get ready to be pitch slapped. The roots of unaccompanied vocal music stretch all the way back to Gregorian chants of the Middle Ages, and collegiate a cappella is over a century old. But what was once largely an Ivy League phenomenon has, in the past twenty years, exploded. And it ' s not what you think. Though the blue blazers and khakis may remain, a cappella groups at colleges across the country have become downright funky. In Pitch Perfect, journalist Mickey Rapkin follows a season in a cappella through all its twists and turns, covering the breathtaking displays of vocal talent, the groupies (yes, there are a cappella groupies), the rock-star partying, and all the bitter rivalries. Rapkin

brings you into the world of collegiate a cappella characters—from movie-star looks and celebrity-size egos to a troubled new singer with the megawatt voice. Including encounters with a cappella alums like John Legend and Diane Sawyer and fans from Prince to presidents, Rapkin shows that a cappella isn't for the faint of heart—or lungs. Sure to strike a chord with fans of Glee and The Sing-Off, this raucous story of a cappella rock stars shows that sometimes, to get that perfect harmony, you have to embrace a little discord.
