La famiglia, la parentela, la sessualità, la socialità ma soprattutto il matrimonio nel Medioevo sono i temi affrontati in questo saggio dallo storico francese Georges Duby. A partire dal dodicesimo secolo, in Francia, due concezioni di matrimonio radicalmente diverse, quella aristocratica e quella ecclesiastica, si scontrarono e si adattarono l'una all'altra per garantire e perpetrare l'ordine sociale e l'ordine divino. Studiando casi di matrimonio di re e membri dell'aristocrazia, seguendone gli sviluppi attraverso una fitta ed estesa rete di incesti, bigamie e divorzi e mettendo in risalto il ruolo della donna nella società, l'autore ricostruisce la realtà quotidiana dell'istituzione matrimoniale presso l'alta aristocrazia, l'élite laica che allora iniziava a uscire dalla oscurità. Fulcro della sua indagine le pratiche del matrimonio in quanto elementi costitutivi della storia sociale e culturale del Medioevo. Riproposto nella collana le Silerchie arricchito dalla nuova e preziosa introduzione di Ida Magli, «Matrimonio medievale» continua a essere quel riferimento per la ricerca interdisciplinare sulla famiglia, la morale, la legislazione e il costume che, agli inizi degli anni ottanta, inaugurò un nuovo metodo d'indagine ampliando e rinnovando l'orizzonte degli stadi storici attraverso l'uso libero e spregiudicato di strumenti provenienti da esperienze scientifiche diverse, dall'antropologia alla sociologia e alla etnologia.

**Matrimonio Medievale Le Silerchie - fip.ngcareers.com**

Le note editoriali scritte per la collana «Biblioteca delle Silerchie», sessantotto capolavori seducenti di inviii alla lettura, succinti e pieni di immaginazione, chiari e audacemente ironici, attendibili ma mai privi del fascino leggero dell'occasione.

Includes works first published during the period 1933-36. Sir James G. Frazer (1854-1941) is famous as the author of "The Golden Bough."

"The Penguin History of Europe series... is one of contemporary publishing's great projects."--New Statesman
It was an age of hope and possibility, of accomplishment and expansion. Europe's High Middle Ages spanned the Crusades, the building of Chartres Cathedral, Dante's Inferno, and Thomas Aquinas. Buoyant, confident, creative, the era seemed to be flowering into a true renaissance-until the disastrous fourteenth century rained catastrophe in the form of plagues, famine, and war. In Europe in the High Middle Ages, William Chester Jordan paints a vivid, teeming landscape that captures this lost age in all its glory and complexity. Here are the great popes who revived the power of the Church against the secular princes; the writers and thinkers who paved the way for the Renaissance; the warriors who stemmed the Islamic tide in Spain and surged into Palestine; and the humbler estates, those who found new hope and prosperity until the long night of the 1300s. From high to low, from dramatic events to social structures, Jordan's account brings to life this fascinating age. Part of the Penguin History of Europe series, edited by David Cannadine.

In this volume, Georges Duby studies the relationship between the Church and women in twelfth-century Europe. By that time, the Church had begun to see the evolving roles and expectations of women as serious matters, resulting in a wide range of clerical writings addressing "the woman question." Drawing on these writings, Duby describes how women were thought to embody particular sins, such as sorcery, disobedience, and licentiousness. He evaluates Eve's role in man's fall from grace in the Garden of Eden and analyzes the reasoning behind the view that women are unstable, curious, frivolous creatures. He also notes that these charges are leveled against women, even as praise is heaped upon them for the conventional virtues they exhibit in their roles as wives and mothers. As the final installment in Duby's three-volume study of French noblewomen of the twelfth century, Eve and the Church is the last work of this superb historian. It will be of interest to scholars of medieval history and women's history as well as to anyone interested in current debates about women and religion. Georges Duby (1919-1996) was a member of the Académie française and for many years held the distinguished chair in medieval history at the Collège de France. His books include The Three Orders; The Age of Cathedrals; The Knight, the Lady, and the Priest; Love and Marriage in the Middle Ages; and History Continues, all published by the University of Chicago Press.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Seventeen-year-old Carla Ambrogio works as a shorthand typist in the shadow of the Duomo. Written between 1954 and 1957, and set in Milan just after the Second World War, this book describes how Carla confronts the hostile environment in which she lives and works with courage and intelligence.
