Weil es Max Brooks einfach gelingt, den Gedanken an die Zombieapokalypse real werden zu lassen. Oft wird in Rezensionen die Frage gestellt, ob Brooks tatsächlich glaubt, was er da schiebt. Nunja, wenn man das mal nüchtern sieht, dann ist sein Survival Guide auch nichts anderes als der von anderen, die ebenso unwahrscheinlich sind.

[The Zombie Survival Guide: Complete Protection from the ...](#)

The Zombie Survival Guide is the first book written by him in the year 2003. The creation and lives of zombies are described in depth in this book. Later in the year 2009, a graphic novel was published on the same topic. World War Z was published in the year 2006 that describes the war between human and zombies.

An illustrated, comprehensive guide to surviving an attack by hordes of the predatory undead explains zombie physiology and behavior, the most effective weaponry and defense strategies, how to outfit one's home for a long siege, and how to survive in any territory or terrain. Original. 35,000 first printing.

An account of the decade-long conflict between humankind and hordes of the predatory undead is told from the perspective of dozens of survivors who describe in their own words the epic human battle for survival.

All aspects of the zombie lifestyle are surveyed in this satirical take on an orientation manual for the newly undead. From how one became a zombie in the first place and the stages of zombification to survival mechanisms, this handbook offers specific advice on everything a fresh zombie needs to know about "life" expectancy, hunting techniques, hitching a ride, hand-to-mouth combat, and feeding etiquette. Instructions for extracting the living from boarded up farmhouses and broken down vehicles are included along with dozens of helpful diagrams outlining attack strategies such as the Ghoul Reach, the Flanking Zak, the Bite Hold, and the Aerial Fall for securing human prey and their all-important flesh and brains.

This fictionalized account of the first African-American regiment, called the Harlem Hellfighters by their enemies, to fight in World War I relates the heroic journey these soldiers undertook for a chance to fight for America. Original. 150,000 first printing.

Resistance is Your Prime Directive Have you ever experienced a sensation of missing time? Have you ever found a metallic implant somewhere in your body? It's likely that you're a victim of alien abduction, and you don't even know it. Aliens are among us. While the true intentions of these mysterious intruders from outer space are unknown, there's no doubt that their actions are nefarious. It's your right - your civic responsibility - to learn the skills necessary to protect yourself, your loved ones and ultimately your planet. Aliens want to whisk you away in the night to perform terrifying experiments on you. Isn't it time you learn how use your MP3 player to defend yourself from their paralyzing powers? Shouldn't you know how to evade the pursuit of a flying saucer? Wouldn't you sleep better at night knowing some proven hand-to-hand combat techniques guaranteed to stop your extraterrestrial foe in its tracks? Make no mistake - our world is under attack and this handbook may be the only thing standing between the human race and total annihilation. Read it and join the resistance.

Der Nachfolger des Klassikers ?Der Zombie Survival Guide? In seiner erschütternden Berichterstattung beschreibt der renommierte Zombie-Experte Max Brooks die grösste Katastrophe der Menschheit seit den beiden Weltkriegen: den Krieg der Zombies gegen die Menschheit. Ergebnis ist dieses umfassende Standardwerk. In zahlreichen Berichten, Tonbandmitschnitten von Überlebenden und Interviews mit Experten geht er den Ursachen auf den Grund, lässt Augenzeugen zu Wort kommen und gibt wertvolle Tipps zur Prävention und Verteidigung. Max Brooks, geboren 1972, ist der Sohn von Mel Brooks und Anne Bancroft. Er lebt als erfolgreicher Comedy Autor in Los Angeles, ist nach eigenem Bekunden aber stets bereit, von heute auf morgen an einen abgelegenen Ort zu ziehen, der leichter zu verteidigen ist.

Set in the same terrifying universe as his million-seeling World War Z, 'Closure, Limited' is among the short stories found within this collection. In it, Max interviews the head of a company dedicated to finding emotional closure for survivors of the zombie attackers.

A virus known as Vrykolakas-Romeros began infecting humans throughout eastern Pennsylvania on September 13,2010, turning all who were infecting into savage Zombies intent on biting and infecting any human within reach. Within weeks, the virus spread throughout the continent and, within a month, the world. The government is working with experts to create a vaccine, but for now you are left to your own devices to survive for an indeterminate amount of time. This government-issued handbook contains vital information to help you survive in this unprecedented, hostile environment. Topics covered included: \*Locating safe zones \*Assembling a survival kit \*Choosing weapons \*Electing a leader \*Securing a building \*Communicating with survivors \*Dealing with carriers of the virus \*Finding supplies \*Traveling through danger zones \*Re-killing zombies \*And much more!

NEW YORK TIMES BESTSELLER • The #1 New York Times bestselling author of World War Z is back with “the Bigfoot thriller you didn’t know you needed in your life, and one of the greatest horror novels I’ve ever read” (Blake Crouch, author of Dark Matter and Recursion). As the ash and chaos from Mount Rainier’s eruption swirled and finally settled, the story of the Greenloop massacre has passed unnoticed, unexamined . . . until now. The journals of resident Kate Holland, recovered from the town’s bloody wreckage, capture a tale too harrowing—and too earth-shattering in its implications—to be forgotten. In these pages, Max Brooks brings Kate’s extraordinary account to light for the first time, faithfully reproducing her words alongside his own extensive investigations into the massacre and the legendary beasts behind it. Kate’s is a tale of unexpected strength and resilience, of humanity’s defiance in the face of a terrible predator’s gaze, and, inevitably, of savagery and death. Yet it is also far more than that. Because if what Kate Holland saw in those days is real, then we must accept the impossible. We must accept that the creature known as Bigfoot walks among us—and that it is a beast of terrible strength and ferocity. Part survival narrative, part bloody horror tale, part scientific journey into the boundaries between truth and fiction, this is a Bigfoot story as only Max Brooks could chronicle it—and like none you’ve ever read before. Praise for Devolution “Delightful . . . [A] tale of supernatural mayhem that fans of King and Crichton alike will enjoy.”—Kirkus Reviews (starred review) “The story is told in such a compelling manner that horror fans will want to believe and, perhaps, take the warning to heart.”—Booklist (starred review)
