Latifa was born into an educated middle-class Afghan family in Kabul in 1980. She dreamed of one day of becoming a journalist, she was interested in fashion, movies and friends. Her father was in the import/export business and her mother was a doctor. Then in September 1996, Taliban soldiers seized power in Kabul. From that moment, Latifa, just 16 years old became a prisoner in her own home. Her school was closed. Her mother was banned from working. The simplest and most basic freedoms - walking down the street, looking out a window - were no longer hers. She was now forced to wear a chadri. My Forbidden Face provides a poignant and highly personal account of life under the Taliban regime. With painful honesty and clarity Latifa describes the way she watched her world falling apart, in the name of a fanatical interpretation of a faith that she could not comprehend. Her voice captures a lost innocence, but also echoes her determination to live in freedom and hope. Earlier this year, Latifa and her parents escaped Afghanistan with the help of a French-based Afghan resistance group.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two speeches were published as *A Room of One's Own*, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance – women and learning, writing and poverty – which helped to establish much of

feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call which sent ripples well into the next century. 'Brilliant interweaving of personal experience, imaginative musing and political clarity' — Kate Mosse, *The Guardian* 'Probably the most influential piece of non-fictional writing by a woman in this century.' — Hermione Lee, *The Financial Times*

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Since the discovery over one hundred years ago of a body of Mesopotamian poetry preserved on clay tablets, what has come to be known as the Epic of Gilgamesh has been considered a masterpiece of ancient literature. It recounts the deeds of a hero-king of ancient Mesopotamia, following him through adventures and encounters with men and gods alike. Yet the central concerns of the Epic lie deeper than the lively and exotic story line: they revolve around a man's eternal struggle with the limitations of human nature, and encompass the basic human feelings of loneliness, friendship, love, loss, revenge, and the fear of oblivion of death. These themes are developed in a distinctly Mesopotamian idiom, to be sure, but with a sensitivity and intensity that touch the modern reader across the chasm of three thousand years. This translation presents the Epic to the general reader in a clear narrative.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.
