“Equal parts memoir, whodunit, and manual for living . . . a beautifully written, honest look at the forces of blood and bone that make us who we are, and how we make ourselves.” --Neil Gaiman In his unique and engaging voice, the acclaimed actor of stage and screen shares the emotional story of his complicated relationship with his father and the deeply buried family secrets that shaped his life and career. A beloved star of stage, television, and film—“one of the most fun people in show business” (Time magazine)—Alan Cumming is a successful artist whose diversity and fearlessness is unparalleled. His success masks a painful

childhood growing up under the heavy rule of an emotionally and physically abusive father—a relationship that tormented him long into adulthood. When television producers in the UK approached him to appear on a popular celebrity genealogy show in 2010, Alan enthusiastically agreed. He hoped the show would solve a family mystery involving his maternal grandfather, a celebrated WWII hero who disappeared in the Far East. But as the truth of his family ancestors revealed itself, Alan learned far more than he bargained for about himself, his past, and his own father. With ribald humor, wit, and incredible insight, Alan seamlessly moves back and forth in time,

Integrating stories from his childhood in Scotland and his experiences today as a film, television, and theater star. At times suspenseful, deeply moving, and wickedly funny, Not My Father's Son will make readers laugh even as it breaks their hearts.

A compelling memoir of fathers, sons, and the Brooklyn streets. Every family has secrets. Ours were just bigger than others. "My earliest memory is of a gun." That gun was in his father's hand - and it was pointed at his mother's head. John Davis grew up in the 1970s and '80s on the rough streets of Brooklyn, a place where no one thought twice when parents smacked around their

Memories of each other. At the center of the tumultuous neighborhood, and John's world, was his larger-than-life father, Roberto. The Argentinean butcher and kingpin drug dealer was a sadistic bully whose mercurial temper left a trail of tears and chaos across his family. John, in particular, seemed to bear the brunt of Roberto's wildly swinging moods. Any wrong word could cause an explosion. Every knock on the door might be one of Roberto's enemies, or the police. In his publishing debut, Davis recounts how he spent his childhood in constant terror and his teen years learning to fight back. But it was much later, as an adult, that he learned the most shocking thing of all about his father, his past,

and himself. Told with raw honesty and deep emotion, *My Father's Son* is a memoir of fear, abuse, survival, and identity.

In this deeply moving memoir, one of Canada's most respected singer-songwriters traces his difficult, often tumultuous relationship with his father. From the time Dan Hill picked up a guitar at age 11, he tried to win the approval of Daniel Hill Sr., a man who has been called Canada's father of human rights. But Hill Sr. set impossibly high standards for himself and his family, especially for his eldest son, leading to conflict and alienation even as young Dan achieved international fame and success. Through vivid family

stories, letters, memories and his own award-winning lyrics, Dan Hill tells the story of two parallel lives—his father's in mid-20th-century America and his own as a young black man coming of age in suburban Canada—and the stormy but ultimately loving way each of those lives affected the other.

Kevin's life of high school classes, crushes, basketball, and shuttling between his parents' homes falls apart when his father is arrested as a suspected serial killer, leading Kevin to a new understanding of his family and himself.

This is a true story based on the collection of information from U.S.

Memorandum documents, my father, Sgt. Frederick Douglas Sr., Captain James Gill (Referred to as my uncle), and 6 other soldiers that were involved in the unauthorized mission to recover me from a Japanese black market baby ring. Army documents that my father had were also used to put together approximate timelines and fill in gaps of what might have happened during certain times where my father or uncle couldnt quite remember clearly. Some of the conversations in this story are assumptions of what might have been spoken as well as recollections from my father, uncle and a couple of men that were involved in my rescue. My uncle served 20 years in the U.S. Air Force and as fate would have it, he was stationed with my father in Okinawa at Naha and Kadena Air Base between the years of 1962-1967. My father had just completed a tour of duty in Korea (3/1961-1/1962) and was being furloughed to Okinawa for a couple of months off until his next tour. It was during January of 1962 when my uncle had just arrived from the United States and was assigned between Naha Air Base and Kadena Air Force Base in charge of air tactical recon and surveillance. workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother's family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father's life, and at last reconciles his divided inheritance. ancient town of Zakho, discovering his family's place in the sweeping saga of Middle Eastern history. This powerful book is an improbable story of tolerance and hope set in what today is the very center of the world's attention. "Graceful and resonant . . . A personal undertaking for a son who admits he never understood his unassuming, penny-pinching immigrant father." —The New York Times Book Review "Sabar's family history turns out to be more than the chronicle of one man's efforts to retain something of his homeland in new surroundings. It's also a moving story about the near-death of an ancient language and the tiny flicker of life that remains in it."

A psychoanalyst reinterprets the dynamics of the family to examine the ways in which fathers and sons influence each other, critically assessing the changing father/son relationship throughout the life cycle in a study designed to help make sense of the question of what it really means to be a man.

Drawing from the living font of divine Revelation, the author of *The Father's Son* intends to clearly present the timeless truths about the God-Man, Jesus of Nazareth - truths as they are given to us in scripture and
