La relación entre Alfred
Bosie Douglas y Oscar Wilde
es una de las más
desafortunadas de la
historia literaria. Douglas
conoció a Wilde en 1891 y
pronto sus vidas quedaron
fatalmente unidas. Douglas
era un joven estudiante de
Oxford; Wilde, un

Read Free Oscar Wilde Siruela

distinguido escritor al borde de la fama. En 1895 Wilde fue acusado de grave indecencia –eufemismo victoriano para referirse al amor homosexual– y condenado a dos años de trabajos forzados en la cárcel de Reading. Sabemos que en prisión escribe De Profundis, carta que dirige a Douglas con el fin de avergonzarlo mediante reproches, denigraciones y advertencias. Esta carta fue leída en un proceso judicial iniciado en 1913 por Douglas contra Arthur Ransome, que a modo de defensa la expone ante el jurado y hace que la opinión pública se vuelva contra Douglas, acusándolo

Siruela

de haber llevado a Wilde a la ruina moral, física y financiera. Oscar Wilde y yo fue publicado en 1914, un año después del proceso. Se trata de un descargo contra la ola de demandas que los admiradores del escritor lanzaron contra Douglas y que no cesarían ni aun después de su muerte. Para disponer su argumento, Douglas hace una retrospectiva de la relación y del legado artístico de Wilde, que tilda de vulgar y perverso, llegando a afirmar en alguno de sus escritos que "Wilde es la mayor fuerza diabólica que existió en Europa en los últimos trescientos cincuenta años".

Read Free Oscar Wilde Siruela

Como fuese, pocas veces una polémica tan íntima causó tanto revuelo público. El texto de Douglas quiere refutar la carta de Wilde; la carta de Wilde es una refutación del texto de Douglas. Sin embargo ambos alegatos son mucho más que eso, pues surgen de una historia de amor prohibida, apasionada y secreta. El lector tiene la última palabra.

Life is a journey, full of surprises, emotions, possibilities, and encounters. Some of these encounters—whether sought or unexpected—can change the trajectory of our lives.

Read Free Oscar Wilde Siruela

They are decisive encounters. How paramount it is to have an encounter with someone who will be our friend, with whom will be our partner, with people who influence our development and the shaping of our character, among others. However, of all encounters, the most important one is the encounter with Jesus. Throughout history, many people have met Him, and it has been a turning point in their lives. Jesus did not leave anyone unmoved. All the encounters with Him were decisive. In this book, Dr. Roberto Badenas talks about these encounters as well as their distinct nuances

Read Free Oscar Wilde Siruela

recorded in the Scriptures. He conveys to us—vividly and profoundly—the experiences of people whose lives were changed by Jesus, which gives us the desire to experience the same. The story of one decisive encounter is still missing: yours with Jesus. And that one is to be written by you.

De Profundis es, sin duda, el texto más íntimo de Oscar Wilde. En esta larga carta que dirigió desde la cárcel de Reading a su amante lord Alfred Douglas, se revela la parte más viva y más honda no sólo de su clara inteligencia sino también de su compleja personalidad

Read Free Oscar Wilde Siruela

humana. De Profundis marca el punto culminante de la vida y filosofía personal de su autor y evidencia cómo todas las experiencias adquirirían para él significado artístico.

Wilde, que había luchado por huir tanto del dolor como de la degeneración del espíritu y que había perseguido siempre el placer estético y logrado la máxima brillantez social, tuvo que vivir en los últimos años de su vida el escándalo, la vergüenza de un terrible proceso que lo envió a la cárcel y el desprecio y las burlas de sus múltiples enemigos. Así descubrió por primera vez el significado del dolor, un

mundo hasta entonces desconocido para él. De Oscar Wilde (Dublín, 1854-París, 1900) Siruela ha publicado también La decadencia de la mentira (2000) y El crimen de lord Arthur Savile y otros relatos (2008).

Con "El abanico de Lady Windermere" obtuvo Wilde su primer éxito teatral de público. La crítica fue más distante. Reconocía el ingenio de los diálogos, pero insistía en la poca originalidad de los motivos

Read Free Oscar Wilde Siruela

(el chantaje, el abanico comprometedor, la infidelidad conyugal). "La importancia de llamarse Ernest" pondría fin a la trivialidad de sus tramas. Empezando por el difícilmente traducible juego de palabras del título, Wilde consigue expresar en esta obra su visión del mundo en varios niveles: divirtiendo al público aristocrático y arreglándoselas para comunicar al espectador contemporáneo su credo individualista.

This is a book about

Read Free Oscar Wilde Siruela

translation and literary influence. It takes as its subject Spain's most important contemporary novelist, Javier Marías (1951-), who worked as a literary translator for a significant portion of his early career. Since then, he has maintained that translation had a crucial impact on the development of his writing style and his literary frame of reference. It examines his claims to the influence of three writers whose works he translated, Laurence Sterne, Sir Thomas Browne, and Vladimir Nabokov. It does so by engaging in close reading of his translations,

Read Free Oscar Wilde Siruela

examining how he meets the linguistic, syntactic, and cultural challenges they present. His prolonged engagement with their prose is then set alongside his own novels and short stories, the better to discern precisely how and in what ways his works have been shaped by their influence and through translation. Hence this study begins by asking why Mariás should have turned to translation in the cultural landscape of Spain in the 1970s and how the ideological standpoints that animated his decision affect the way he translates. His translation of Sterne's *Life*

Read Free Oscar Wilde Siruela

and Opinions of Tristram Shandy, Gentleman is set alongside his pseudo-autobiographical novel *Negra espalda del tiempo* (Dark Back of Time), while his translation of Sir Thomas Browne's *Urn Burial* is then analysed in tandem with that produced by Jorge Luis Borges and Adolfo Bioy Casares. Subsequent chapters examine how Browne's prose has shaped Marías's thinking on oblivion, posterity, and time. The final chapters offer an analysis of the partial translation and palimpsest of *Lolita* he undertook in the early 1990s and of his most ambitious novel to date, *Tu rostro*
