Panther vs T-34 - Osprey Publishing

In most people's opinion, the German Panther tank was the most elegant tank design of World War II. It embodied a balance of firepower, armor protection, and mobility unmatched by any other tank of the period. Yet, it was not the war-winner it might have been. Author Mike Green examines the disparity between the potential of the Panther design and the actuality of the fielded Panther tank ...

Osprey has great "Duel" books and Panther vs Sherman does not disappoint. It shows why the biggest gun and the toughest armor aren't victory makers in themselves and how tactics and training can make a weaker opponent come on top.

Panther vs Sherman: Battle of the Bulge 1944 by Steven J. ...

The German Tiger heavy tank was a monster of a machine that dominated the battlefields of Europe. One of the most feared weapons of World War II, the Tiger gained an aura of invincibility that was only shattered by the introduction of the Sherman Firefly during the summer of 1944. Designed by the British to combat the Tiger, the Sherman Firefly was based on the American M4A4 Sherman, but was ...
