Content. End-Of-Course Assessment. EoC Assessments are traditional tests typically administered near the end of a school year or course. PLTW has designed the EoC Assessment to help judge the effectiveness of the curriculum and to inform adjustments to future instruction. EoC Assessments provide information about the depth and breadth of what students have learned.

What is an End-of-Course Assessment? - Project Lead the Way

PLTW's End-of-Course Assessments replace outdated approaches that only measure students' knowledge through memorization and solving problems without real-world context. Using innovative, inquiry-based items, PLTW's redesigned Assessments measure a broader range of knowledge, skills, and cognitive abilities, and deliver a dynamic experience that is authentic to the learning environment of the PLTW classroom.

Assessment | PLTW

PLTW End-of-Course Assessments – PLTW will cease administration of the End-of-Course Assessments for the 2019-20 school year. The Informative Assessment tool is still available for the classroom and distance learning with a bank of assessment questions that mirror the PLTW End-of-Course Assessments in both item type and course content, and gives students the ability to participate and gain performance information.

PLTW's Response to COVID-19 | PLTW

Project Lead The Way has developed a first-of-its-kind assessment that measures what matters most to educators and employers, while creating value and currency for students beyond high school. The new End-of-Course (EoC) Assessment measures both subject-matter knowledge as well as the in-demand, transportable skills most critical to students' lifelong career success.
