range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

Teach little learners about Rosa Parks' brave stand for civil rights with this 200-word board book. This little book introduces Rosa Parks, the "mother of the civil rights movement." Simple, toddler-friendly text tells the story of her courageous decision to remain on a bus in Montgomery, Alabama--an action that resulted in Parks' arrest, and ultimately, a victory for civil rights. Illustrated with rich oil paintings, *The Story of Rosa Parks* will help even the smallest children understand who Rosa Parks is, and why she is so important.

This biography examines Parks's life and 60 years of activism and brings the multifaceted, decades-long civil rights movement in the North and South to life for young readers. Rosa Parks is one of the most well-known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. In this young readers' edition of the NAACP Image Award--winning *The Rebellious Life of Mrs. Rosa Parks*, Jeanne Theoharis shatters the myths that Parks was meek, accidental, tired, or middle class. She reveals a lifelong freedom fighter whose activism began two decades before her historic stand that sparked the Montgomery bus boycott and continued for 40 years after. Readers will

Access Free Rosa Parks My Story

understand what it was like to be Parks, from meeting her husband, Raymond, who showed her the possibility of collective activism, to her years of frustrated struggle before the boycott, to the decade of suffering that followed for her family after her bus arrest. The book follows Parks to Detroit, after her family was forced to leave Montgomery, Alabama, where she spent the second half of her life and reveals her activism alongside a growing Black Power movement and beyond. Because Rosa Parks was active for 60 years, in the North as well as the South, her story provides a broader and more accurate view of the Black freedom struggle across the 20th century. Theoharis shows young readers how the national fable of Parks and the civil rights movement--celebrated in schools during Black History Month--has warped what we know about Parks and stripped away the power and substance of the movement. The *Rebellious Life of Mrs. Rosa Parks* illustrates how the movement radically sought to expose and eradicate racism in jobs, housing, schools, and public services, as well as police brutality and the over-incarceration of Black people--and how Rosa Parks was a key player throughout. Rosa Parks placed her greatest hope in young people--in their vision, resolve, and boldness to take the struggle forward. As a young adult, she discovered Black history, and it sustained her across her life. *The Rebellious Life of Mrs. Rosa Parks* will help do that for a new generation.

"Teachers will welcome [this treatment of]...a simple, clear biography of Rosa Parks...The male narrator reads clearly and unemotionally, presenting the facts as Adler reports them...A good addition to collections." - School Library Journal

This inspiring book on the faith, the hope, and the heart of a woman who changed a nation

Access Free Rosa Parks My Story

gives the account of her infamous stand against injustice as well as the lasting impact it has made.

In 1955, Rosa Parks refused to give her bus seat to a white passenger in Montgomery, Alabama. This seemingly small act triggered civil rights protests across America and earned Rosa Parks the title "Mother of the Civil Rights Movement." This biography has black-and-white illustrations throughout.
