[The Audit of War] argued that British industry during the Second World War was scandalously inefficient, a situation Barnett blamed on an establishment more concerned with welfare than with industry, technology or the capacity of the nation to fight a war... Alan Clark records approvingly that Mrs Thatcher herself read it...'

The Audit of War eBook por Correlli Barnett ...

In The Audit of War Barnett's critique of the British Establishment is unchanged, but this time he applies it to the management of the British war economy from 1939 to 1945. He has written a provocative and important book that will shift the terms of historical debate: but I doubt if he proves his case.
