The Coffin Path The Perfect

The long neglected hall sits atop the moors like an abandoned ship on a stormy sea. The local villagers refuse to pass along the coffin path after dark. They don't want to be at the crossroads, where the hall is located, at night. They say the land has an ancient curse upon it and the old house is hiding secrets.

THE COFFIN PATH, by Katherine Clements is a book I honestly struggled to finish. It wasn't that the style was bad, or anything fundamental such as that. The story DID have a lot of atmosphere going for it, and it may have worked if not for a few factors.

In rural Maine, a stop on the Underground Railroad is menaced by a supernatural force in this terrifying novel of pre-Civil War horror. Davis Bentwood has nearly finished medical school when he meets an abolitionist dwarf walking across Harvard Yard. Jeb Coffin is a nonpracticing doctor, a devoted student of transcendentalism whose home life has been shaken by tragedy. The two men become friends, and Coffin invites Bentwood to rural Maine to save his family from itself. The Coffins are noted abolitionists, their home a stop on the Underground Railroad, and lately they have been menaced by a supernatural terror. The tragedies are countless: two brothers killed, a father driven mad, and a baby frozen solid in its crib. At first Bentwood cannot bring himself to acknowledge the impossible horrors that have cursed this family. But he will not survive his sojourn in Maine unless he can open his mind to the possibility that something evil is waiting in the dark.

Perfect for fans of Carolyn Haines and Donna Andrews, Lillian Bell makes the return with her second Funeral Parlor mystery featuring funeral director Desiree Turner. When an unnatural cause of death finds one of her clients, Desiree must get to the bottom of the murder before she's fitted for a coffin, herself. Funeral director Desiree Turner deals with death by natural causes all the time. Death by unnatural causes? Not so much. Yet, she and her boyfriend Nate have heard some not-so-dear things about the recently departed. A suspicious remark by the late Frank Fiore's daughters sparks some concern. And when Violet Daugherty faints behind the wheel of her car, Desiree suspects she's got a front seat to murder. Desiree can't help but look into Violet's untimely end, but soon after, rumors begin to spread that she's accusing her clients of murder, which quickly spurs a mass cancellation and Desiree is on the verge of going out of business. What began as an effort to do due diligence for her client turns into a wild goose chase for Violet's murderer. Desiree must find her proof before everything she works for is lost. But that's easier said than done, because while everyone else in town is looking to take their business elsewhere, the killer sets sights directly upon Desiree. Now it's up to Desiree to find the murderer before she becomes the next body her funeral parlor serves in *If the Coffin Fits*, Lillian Bell's second charming Funeral Parlor mystery.

#1 NEW YORK TIMES BESTSELLER □ From the author of *Small Great Things* and *A Spark of Light* comes a "powerful" (*The Washington Post*) novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She's on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash

landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on *The Book of Two Ways*—the first known map of the afterlife. As the story unfolds, Dawn's two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she's never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn't turned out to be the person you are right now?

The Right Address sears through the upper crust of New York's glittering Park Avenue scene to dish the dirt on the ladies who lunch, the gents who club, and the desperate climbers who will stop at nothing to join the backstabbing, champagne-sipping, socialite-eat-socialite stratosphere. When Melanie Sartomsky, wily Floridian flight attendant, snares billionaire divorcée Arthur "the coffin king" Korn, she is catapulted into the *crème de la crème* of Park Avenue society, where hiring the wrong decorator is tantamount to social suicide, and where, if you're anyone, your personal assistant has a personal assistant. But Melanie quickly discovers that in the world of the rich and idle, malicious gossip is as *de rigueur* as owning twenty pairs of Manolo Blahniks. And despite her frenzied plunge into the charity circuit and the right dinner reservations, her neighbors are Givenchy-clad vultures who see her as nothing more than a reinvented trailer trollop. To make matters worse, when a snide society-rag journalist rakes her over the coals, Melanie's reputation is toast. Meanwhile, Melanie is not the only billionaire in the neighborhood coming unhinged. Kleptomania, adultery, plagiarism, and a grisly Harlem sex murder are just a few of the secrets swirling under the pedigreed patina of furs and emeralds on Park Avenue. Authors Jill Kargman and Carrie Karasyov know a thing or two about their subject matter. They met at the Upper East Side's chic Spence School and claim that *The Right Address* is inspired by "the insane socialites we've eavesdropped on our entire lives." Meow. So kick off your Jimmy Choos, crack open the *Veuve Clicquot*, and get ready for a rollicking, unforgettable tour of the richer-and-bitchier-than-thou set.

This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

Fanny McCoy has lived in fear and anger ever since that day in 1878 when a dispute with the Hatfields over the ownership of a few pigs set her family on a path of hatred and revenge. From that day forward, along the ragged ridges of the West Virginia-Kentucky line, the Hatfields and the McCoy's have operated not within the law but within mountain codes of their own making. In 1882, when Fanny's sister Roseanna runs off with young Johnse Hatfield, the hatred between the two clans explodes. As the killings, abductions, raids, and heartbreak escalate bitterly and senselessly, Fanny, the sole voice of reason, realizes that she is powerless to stop the fighting and must learn to rise above the petty natures of her family and neighbors to find her own way out of the hatred.
