*The Lost Boy*

Directed by Joel Schumacher, "The Lost Boys" is a movie that effectively combines a cool and attractive look with a simple but entertaining plot resulting in a successful and charming film. The story modernizes classic elements of the vampire myth and adapts it to its time with intelligence and definitely tongue in cheek humor.

The Lost Boy, written by Dave Pelzer is a heartwarming story of a young nine-year-old boy, David, who has family issues and is constantly being abused by his mother. Dave Pelzer is a New York Times Bestseller and a #1 International Bestseller. He has written other books such as A Child Called "It", My Story, and A Man Named Dave, etc. ...

Imagine a young boy who has never had a loving home. His only possessions are the old, torn clothes he carries in a paper bag. The only world he knows is one of isolation and fear. Although others had rescued this boy from his abusive alcoholic mother, his real hurt is just beginning -- he has no place to call home. This is Dave Pelzer's long-awaited sequel to A Child Called "It". In The Lost Boy, he answers questions and reveals new adventures through the compelling story of his life as an adolescent. Now considered an F-Child (Foster Child), Dave is moved in and out of five different homes. He suffers shame and experiences resentment from those who feel that all foster kids are trouble and unworthy of being loved just because they are not part of a "real" family. Tears, laughter, devastation and hope create the journey of this little lost boy who searches desperately for just one thing -- the love of a family.

When Nate finds a tape recorder and note addressed to him in his new home, he is thrust into a dark mystery about a boy who went missing long ago, and must team with local girl Tabitha to uncover the truth.

\*On an island lives a boy called Peter and his band of merry lost boys, young forever. That is, unless they get sick or killed by pirates or eaten by crocodiles or unless--inexplicably--they grow old. For some of them do grow old, and nobody knows why. One of these boys is called Jamie, and he was the first boy that Peter ever brought to the island. Jamie's lived there for longer than he can remember, and it's not all fun and games. Peter thinks the boys are replaceable, that if one dies or grows up, he can swap in another from the Other Place, the place where he collects new playmates. Jamie looks out for the boys and takes care of them. He does everything Peter does not. Jamie tries to keep them alive because, to him, they matter. When Peter steals a boy who is too young, Jamie takes the boy under his wing. But Peter won't have that, for nobody will ever take Jamie from him. Ever--

The author continues the story of his own child abuse, and his experiences being a foster child moving in and out of five different foster homes

Tells the story of a child's abuse at the hands of his alcoholic mother

In this powerful and heartbreaking account, the nephew of Warren Jeffs--the jailed former leader of the Fundamentalist Church of Jesus Christ of Latter-day Saints--reveals that leaving the sect can be just as harrowing for men as it is for women.

Teenager Carl arrives on foster carer Maggie Hartley's doorstep following a terrible row with his father. Quiet, withdrawn and unhappy, Carl refuses to talk about his home life, and Maggie finds herself at a loss as to how to help this vulnerable, lost boy. It's clear that there's a very heavy burden resting on Carl's young shoulders, but with the boy refusing to confide in anyone, and with concerns about his mental health growing by the day, Maggie begins to feel desperate. A chance discovery in Carl's room finally reveals the truth behind the boy's anguish, and despite all her years of experience as a foster carer, Carl's secret is unlike anything Maggie has ever had to deal with before. Can Maggie help this confused and unhappy boy share the truth behind his misery? And can Carl ever find a way to move beyond his pain to live a happy, normal life?

The author of Alice takes readers through a dark tale of Peter Pan, who turns his best friend into his nemesis, Captain Hook. On an island lives a boy called Peter and his band of merry lost boys, young forever. That is, unless they get sick or killed by pirates or eaten by crocodiles or unless--inexplicably--they grow old. For some of them do grow old, and nobody knows why. One of these boys is called Jamie, and he was the first boy that Peter ever brought to the island. Jamie's lived there for longer than he can remember, and it's not all fun and games. Peter thinks the boys are replaceable, that if one dies or grows up, he can swap in another from the Other Place, the place where he collects new playmates. Jamie looks out for the boys and takes care of them. He does everything Peter does not. Jamie tries to keep them alive because, to him, they matter. When Peter steals a boy who is too young, Jamie takes the boy under his wing. But Peter won't have that, for nobody will ever take Jamie from him. Ever.

As a boy living in the Dinka tribe in what is now South Sudan, the youngest country in the world, Ayik Chat Deng was a member of the Sudanese People's Liberation Army (SPLA). During his time as a child soldier, he witnessed unspeakable violence and was regularly tortured by older boys. At age nineteen, he and his family escaped the conflict in Sudan and resettled in Toowoomba, Australia. But adjusting to his new life in small-town Queensland was more difficult than he anticipated. He was suffering from post-traumatic stress disorder that was misdiagnosed as schizophrenia, leading to years of erratic behaviour on the wrong medication. He struggled with drugs and alcohol, fought with his family and found himself in trouble with the law before he came to the painful realisation that his behaviour was putting his life, as well as the lives of his loved ones, at risk. As an adult now living in Brisbane, Ayik is a father, working as an actor and volunteering at his local youth centre. Overcoming a childhood filled with torture and war was a process of lifelong learning, choices and challenges that included a remarkable chance encounter with a figure from his past, and an appearance on national television. The Lost Boy is an honest and revealing account of the complexities of trauma, and one man's story of how he got to where he is today.

A woman commits suicide for no apparent reason. A week later, her son--beautiful, troubled fifteen-year-old Mark Underhill--vanishes from the face of the earth. To his uncle, horror novelist Timothy Underhill, Mark's inexplicable absence feels like a second death. After his sister-in-law's funeral, Tim searches his hometown of Millhaven for clues that might help him unravel this mystery of death and disappearance. He soon learns that a pedophilic murderer is on the loose in the vicinity, and that shortly before his mother's suicide Mark had become obsessed with an abandoned house where he imagined the killer might have taken refuge. No mere empty building, the house on Michigan Street whispers from attic to basement with the echoes of a long-hidden true-life horror story, and Tim Underhill comes to fear that in investigating its unspeakable history, Mark stumbled across its last and greatest secret: a ghostly lost girl who may have coaxed the needy, suggestible boy into her mysterious domain. With lost boy lost girl, Peter Straub affirms once again that he is the master of literary horror.
