Poets' Corner is the name traditionally given to a section of the South Transept of Westminster Abbey because of the high number of poets, playwrights, and writers buried and commemorated there. The first poet interred in Poets' Corner was Geoffrey Chaucer. Over the centuries, a tradition has grown up of interring or memorialising people there in recognition of their contribution to British culture. In the overwhelming majority of cases, the honour is awarded to writers. In 2009, the founders of

The Poets' Corner: The One-and-Only Poetry Book for the WholeFamily: Lithgow, John: Amazon.sg: Books

From listening to his grandmother recite epic poems from memory to curling up in bed while his father read funny verses, award-winning actor John Lithgow grew up with poetry. Ever since, John has been an enthusiastic seeker of poetic experience, whether reading, reciting, or listening to great poems. The wide variety of carefully selected poems in this book provides the perfect introduction to appeal to readers new to poetry, and for poetry lovers to experience beloved verses in a fresh, vivid way. William Blake, Emily Dickinson, Edgar Allan Poe, and Dylan Thomas are just a few names among Lithgow's comprehensive list of poetry masters. His essential criterion is that "each poem's light shines more brightly when read aloud." This unique package provides a multimedia poetry experience with a bonus MP3 CD of revelatory poetry readings by John and the familiar voices of such notable performers as Eileen Atkins, Kathy Bates, Glenn Close, Billy Connolly, Jodie Foster, Morgan Freeman, Helen Mirren, Lynn Redgrave, Susan Sarandon, Gary Sinise, and Sam Waterston. Every reader will enjoy reciting or listening to these poems with the entire family, appreciating how each one comes to life through the spoken word in this superlative poetry collection.

On the fiftieth anniversary of his death, C. S. Lewis was memorialized in Poets' Corner, Westminster Abbey, taking his place beside the greatest names in English literature. Oxford and Cambridge Universities, where Lewis taught, also held commemorations. This volume gathers together addresses from those events. Rowan Williams and Alister McGrath assess Lewis's legacy in theology, Malcolm Guite addresses his integration of reason and imagination, William Lane Craig takes a philosophical perspective, while Lewis's successor as Professor of Medieval and Renaissance English, Helen Cooper, considers him as a critic. The collection also includes more personal and creative responses: Walter Hooper, Lewis biographer, recalls their first meeting; there are poems, essays, a panel discussion, and even a report by the famous "Mystery Worshipper" from the Ship of Fools website, along with a moving reflection by Royal Wedding composer Paul Mealor about how he set one of Lewis's poems to music. Containing theology, literary criticism, poetry, memoir, and much else besides, this volume reflects the breadth of Lewis's interests and the astonishing variety of his own output: a diverse and colorful commemoration of an extraordinary man.

One of the world's foremost writing teachers invites readers on a joyful journey into the reading and origins of haiku A haiku is three simple lines. But it is also, as Allen Ginsberg put it, three lines that "make the mind leap." A good one, he said, lets the mind experience "a small sensation of space which is nothing less than God." As many spiritual practices seek to do, the haiku's spare yet acute noticing of the immediate and often ordinary grounds the reader in the pure awareness of now. Natalie Goldberg is a delightfully companionable tour guide into this world. She highlights the history of the form, dating back to the seventeenth century; shows why masters such as Basho and Issa are so revered; discovers Chiyo-ni, an important woman haiku master; and provides insight into writing and reading haiku. A fellow seeker who travels to Japan to explore the birthplace of haiku, Goldberg revels in everything she encounters, including food and family, painting and fashion, frogs and ponds. She also experiences and allows readers to share in the spontaneous and profound moments of enlightenment and awakening that haiku promises.

The poems of Anatomic have emerged from biomonitoring and microbiome testing on the author's body to examine the way the outside writes the inside, whether we like it or not. Adam Dickinson drew blood, collected urine, swabbed bacteria, and tested his feces to measure the precise chemical and microbial diversity of his body. To his horror, he discovered that our "petroculture" has infiltrated our very bodies with pesticides, flame retardants, and other substances. He discovered shifting communities of microbes that reflect his dependence on the sugar, salt, and fat of the Western diet, and he discovered how we rely on nonhuman organisms to make us human, to regulate our moods and personalities. Structured like the hormones some of these synthetic chemicals mimic in our bodies, this sequence of poems links the author ' s biographical details (diet, lifestyle, geography) with historical details (spills, poisonings, military applications) to show how permeable our bodies are to the environment. As Dickinson becomes obsessed with limiting the rampant contamination of his own biochemistry, he turns this chemical-microbial autobiography into an anxious plea for us to consider what we ' re doing to our world -- and to our own bodies.

A New York Times Best Seller If you could read my mind, you wouldn't be smiling. Samantha McAllister looks just like the rest of the popular girls in her junior class. But hidden beneath the straightened hair and expertly applied makeup is a secret that her friends would never understand: Sam has Purely-Obsessional OCD and is consumed by a stream of dark thoughts and worries that she can't turn off. Second-guessing every move, thought, and word makes daily life a struggle, and it doesn't help that her lifelong friends will turn toxic at the first sign of a wrong outfit, wrong lunch, or wrong crush. Yet Sam knows she'd be truly crazy to leave the protection of the most popular girls in school. So when Sam meets Caroline, she has to keep her new friend with a refreshing sense of humor and no style a secret, right up there with Sam's weekly visits to her psychiatrist. Caroline introduces Sam to Poet's Corner, a hidden room and a tight-knit group of misfits who have been ignored by the school at large. Sam is drawn to them immediately, especially a guitar-playing guy with a talent for verse, and starts to discover a whole

new side of herself. Slowly, she begins to feel more "normal" than she ever has as part of the popular crowd . . . until she finds a new reason to question her sanity and all she holds dear. "Clueless meets Dead Poets Society with a whopping final twist." -Kirkus Reviews "This book is highly recommended-readers will connect with Sam, relating to her anxiety about her peers, and root for her throughout the book." -VOYA "A thoughtful romance with a strong message about self-acceptance, [this] sensitive novel boasts strong characterizations and conflicts that many teens will relate to. Eminently readable." -Booklist "A brilliant and moving story about finding your voice, the power of words, and true friendship. I couldn't put it down?" -Elizabeth Eulberg, Author of The Lonely Hearts Club "Brilliant, brave, and beautiful." -Kathleen Caldwell, A Great Good Place for Books "A riveting story of love, true friendship, self-doubt and self-confidence, overcoming obstacles, and truly finding oneself." -Melanie Koss, Professor of Young Adult Literature, Northern Illinois University "Romantic, unpredictable, relatable, and so very enjoyable." -Arnold Shapiro, Oscar- and Emmy-winning Producer "Characters to love and a story to break your heart. Readers will want to turn page after page and read every last word. Then do it all over again." -Marianne Follis, Teen Librarian, Valley Ranch (Irving) Public Library

A collection of poems in which the author draws upon her experiences as a Palestinian-American living in the Southwest, and her travels in Central America, the Middle East, and Asia, to comment upon the shared humanity of different cultures throughout the world.

What happens to poets' genius when they die? The peculiar affinity which was felt to exist between their physical and literary 'remains' - their bodies and books - is the subject of this original cultural study, which concentrates on poets and poetry from the Romantic to late Victorian period. Poetical Remains deals with issues such as the place of burial, the kind of monument deemed appropriate, the poet's 'last words' and last poems, the creation of memorial volumes, and the commercial boost given to a poet's reputation by 'celebrity death', focussing in each case on the powerful, complex, often unstated but ever-present connections between the poet's body and their poetic 'corpus'. As well as the works of the poets themselves, Matthews draws on contemporary biography and memoirs, family correspondence, newspaper reports, and tribute verse among other texts, and places the literature of poetic death in its social, material, and affective context: the conflict between the idealized 'country churchyard' and the secular urban cemetery, the ideal of private, familial burial as against the pressure for public ceremony, the recuperation of death-in-exile as an extension of national pride, transactions between spiritual and material, poetic and pragmatic, in a secularizing age. Some of the most poignant and darkly comic moments in nineteenth-century literary history arose around the deathbeds of poets and the events which followed their deaths. What happened to Shelley's heart, and to Thomas Hood's monument; the different fates which dictated that the first Poet Laureate appointed by Queen Victoria, Wordsworth, was buried in his family plot in Grasmere, while her second, Tennyson, was wrested from his family's grasp and interred in Westminster Abbey - these are some of the stories which Matthews tells, and which are bound up in a sustained and powerful argument about the way in which our culture deals with artists and their work on the boundary between life and death.

Oscillate through The Finley Human Experience and explore the contours of lesbian love, feminist politics, and American dreams. Curl up with a romantic remarking on the wonders of her lover's scent. Discover an angry activist raging at the state of a nation on the brink of complete destitution. Cheer on the dragon as an ironic bard pits corporate cronyism versus knightly virtue. Bow your head and weep for lost loved ones as a melancholy dramatist contemplates mortality. Raise your voice with Finley as she protests conformity. And wonder if, perhaps, this poet isn't bipolar when she threatens you with a wooden spoon.

From listening to his grandmother recite epic poems from memory to curling up in bed while his father read funny verses, award-winning actor John Lithgow grew up with poetry. Ever since, John has been an enthusiastic seeker of poetic experience, whether reading, reciting, or listening to great poems. The wide variety of carefully selected poems in this book provides the perfect introduction to appeal to readers new to poetry, and for poetry lovers to experience beloved verses in a fresh, vivid way. William Blake, Emily Dickinson, Edgar Allan Poe, and Dylan Thomas are just a few names among Lithgow's comprehensive list of poetry masters. His essential criterion is that "each poem's light shines more brightly when read aloud." This unique package provides a multimedia poetry experience with a bonus MP3 CD of revelatory poetry readings by John and the familiar voices of such notable performers as Eileen Atkins, Kathy Bates, Glenn Close, Billy Connolly, Jodie Foster, Morgan Freeman, Helen Mirren, Lynn Redgrave, Susan Sarandon, Gary Sinise, and Sam Waterston. Every reader will enjoy reciting or listening to these poems with the entire family, appreciating how each one comes to life through the spoken word in this superlative poetry collection.

Drawing on her journals, letters, dreams, memories, and careful readings of many poets, the award-winning poet reflects on the influence of literature on American life and politics today
