**Living in London’s poorest slum, Mercy Wilkins has little hope of a better life. When she’s offered an opportunity to join a bride ship sailing to British Columbia, she agrees. After witnessing so much painful heartache and loss in the slums, the bride ship is her only prospect to escape a bleak future, not only for herself but, she hopes, someday for her sister. Wealthy and titled Joseph Colville leaves home and takes to the sea in order to escape the pain of losing his family. As ship’s surgeon, he’s in charge of the passengers’ welfare aboard the Tynemouth, including sixty brides-to-be. He has no immediate intention of settling down, but when Mercy becomes his assistant, the two must fight against a forbidden love. With hundreds of single men congregating on the shore eager to claim a bride from the Tynemouth, will Mercy and Joseph lose their chance at true love, or will they be able to overcome the obstacles that threaten to keep them apart?**

**A line of nervous young women got off a ship in Victoria Harbour in 1862 and had to walk the gauntlet between two rows of jostling, eager men. One girl, proposed to on the spot, accepted equally quickly and left town with her new husband. Why did these women leave everything behind in England and come to the west coast? The answers lie in the lusty turmoil of a gold-rush frontier, the horrible disruptions of industrial England and the conflicting aims of earnest Christians and early British feminists.**

**An early work from the New York Times bestselling author of The Giver of Stars, Jojo Moyes, the story of a young woman who opens an eclectic shop and comes to terms with the secrets of her past. In the sixties, Athene Forster was the most glamorous girl of her generation. Nicknamed the Last Deb, she was also beautiful, spoiled, and out of control. When she agreed to marry the gorgeous young heir Douglas Fairley-Hulme, her parents breathed a sigh of relief. But within two years, rumors had begun to circulate about Athene’s affair with a young salesman. Thirty-five years later, Suzanna Peacock is struggling with her notorious mother’s legacy. The only place Suzanna finds comfort is in The Peacock Emporium, the beautiful coffee bar and shop she opens that soon enchants her little town. There she makes perhaps the first real friends of her life, including Alejandro, a male midwife, escaping his own ghosts in Argentina. The specter of her mother still haunts Suzanna. But only by confronting both her family and her innermost self will she finally reckon with the past—and discover that the key to her history, and her happiness, may have been in front of her all along.**

**One single mom. One chaotic family. One quirky stranger. One irresistible love story from the New York Times bestselling author of The Giver of Stars Suppose your life sucks. A lot. Your husband has done a vanishing act, your teenage stepson is being bullied, and your math whiz daughter has a once-in-a-lifetime opportunity that you can’t afford to pay for. That’s Jess’s life in a nutshell—until an unexpected knight in shining armor offers to rescue them. Only Jess’s knight turns out to be Geeky Ed, the obnoxious tech millionaire whose vacation home she happens to clean. But Ed has big problems of his own, and driving the dysfunctional family to the Math Olympiad feels like his first unselfish act in ages . . . maybe ever. One Plus One is Jojo Moyes at her astounding best. You’ll laugh, you’ll weep, and when you flip the last page, you’ll want to start all over again.**

**From the #1 New York Times bestselling author of Me Before You, the basis for the major motion picture, comes a breathtaking drama of two women whose lives entwine through a lovely English seaside house. For Lottie Swift, Arcadia has always been magical. The breathtaking art deco house perched above the shoreline of the well-ordered village of Merham seems to stand still throughout the years. It has never changed, not really, but Lottie’s fate and fortune have been inextricably linked with that of the beautiful house, and it will forever be fixed in her mind as a symbol of adventure, youth, and of loves lost and gained. Even as her life—and the house—fall into disrepair. Years later another young woman comes to Merham. A designer hired to make over the now-empty Arcadia, Daisy Parsons seeks a new beginning, as Lottie once did. Fleeing a broken relationship and now facing being a single mother, Daisy finds refuge in the house, and something more—a love she thought she would never know again and a friendship unlike any she’s experienced before.**

**Look out for Jojo’s new book, Paris for One and Other Stories, available now. From the New York Times bestselling author of Me Before You and One Plus One, in an earlier work available in the U.S. for the first time, a surprising and moving romance set in an old-fashioned seaside town on the verge of unwelcome change Liza McCullen will never fully escape her past. But the unspoiled beaches and tight-knit community of Silver Bay offer the freedom and safety she craves—if not for herself, then for her young daughter, Hannah. That is, until Mike Dormer arrives as a guest in her aunt’s hotel. The mid-mannered Englishman with his too-smart clothes and distracting eyes could destroy everything Liza has worked so hard to protect: not only the family business and the bay that harbors her beloved whales, but also her conviction that she will never love—never deserve to love—again. For his part, Mike Dormer is expecting just another business deal—an easy job kick-starting a resort in a small seaside town ripe for development. But he finds that he doesn’t quite know what to make of the eccentric inhabitants of the ramshackle Silver Bay Hotel, especially not enigmatic Liza McCullen, and their claim to the surrounding waters. As the development begins to take on a momentum of its own, Mike’s and Liza’s worlds collide in this hugely affecting and irresistible tale full of Jojo Moyes’s signature humor and generosity.**
