Tyler Florence Fresh: A Cookbook: Florence, Tyler ...

Tyler Florence's focus on fresh is a worthy one. He believes that fresh food means healthier people. The book opens with a five-page "paper" where Florence articulates his point of view. It's convincing. In a nutshell: fresh is good; GMO's (genetically modified organisms), HFCS (high-fructose corn syrup) and chemical additives are bad. There's a whole lot in between to make you a ...
