Under and Alone: The True Story of the Undercover Agent ...

Under and Alone is a book written by undercover ATF agent William Queen and published by Random House in 2005 which chronicles his infiltration of the violent outlaw motorcycle gang, the Mongols. Mel Gibsons production company, Icon Productions, acquired the film rights to Queens story, with early reports indicating that Gibson himself was interested in starring as Queen. However, Gibsons arrest for drunk driving and subsequent legal issues shelved any plans for a movie based on the book.

full member of the gang but also rose to the position of treasurer, documenting their violent crimes and offering profiles of individual gang members. Reprint. 40,000 first printing.

In 1998, William Queen was a veteran law enforcement agent with a lifelong love of motorcycles and a lack of patience with paperwork. When a “ confidential informant ” made contact with his boss at the Bureau of Alcohol, Tobacco and Firearms, offering to take an agent inside the San Fernando chapter of the Mongols (the scourge of Southern California, and one of the most dangerous gangs in America), Queen jumped at the chance, not realizing that he was kicking-starting the most extensive undercover operation inside an outlaw motorcycle gang in the history of American law enforcement. Nor did Queen suspect that he would penetrate the gang so successfully that he would become a fully “ patched-in ” member, eventually rising through their ranks to the office of treasurer, where he had unprecedented access to evidence of their criminal activity. After Queen spent twenty-eight months as “ Billy St. John, ” the bearded, beer-swilling, Harley-riding gang-banger, the truth of his identity became blurry, even to himself. During his initial “ prospecting ” phase, Queen was at the mercy of crank-fueled criminal psychopaths who sought to have him test his mettle and prove his fealty by any means necessary, from selling (and doing) drugs, to arms trafficking, stealing motorcycles, driving getaway cars, and, in one shocking instance, stitching up the face of a Mongol “ ol ’ lady ” after a particularly brutal beating at the hands of her boyfriend. Yet despite the constant criminality of the gang, for whom planning cop killings and gang rapes were business as usual, Queen also came to see the genuine camaraderie they shared. When his lengthy undercover work totally isolated Queen from family, his friends, and ATF colleagues, the Mongols felt like the only family he had left. “ I had no doubt these guys genuinely loved Billy St. John and would have laid down their lives for him. But they wouldn ’ t hesitate to murder Billy Queen. ” From Queen ’ s first sleight of hand with a line of methamphetamine

Under and Alone is a breathless, adrenalin-charged read that puts you on the street with some of the most dangerous men in America.

Droban chronicles the inside story of the ATF's infiltration of the Hells Angels, one of the most notorious and violent outlaw motorcycle gangs in history.

The basis for the hit TV series *Gangland Undercover!* The gripping account from an ex-con who went undercover to help the ATF infiltrate three of America's most violent biker gangs. Despite lacking any experience with motorcycle gangs, Charles Falco infiltrated three of America's deadliest biker gangs: the Vagos, Mongols, and Outlaws. In separate investigations that spanned years and coasts, Falco risked his life, suffering a fractured neck and a severely torn shoulder, working deep under cover to bring violent sociopaths to justice. His dedication was profound; Falco spent almost three years infiltrating the Vagos gang and rose to second in command of the Victorville, California chapter. He even served time in San Bernardino's Murder Unit and endured solitary confinement to protect his cover and the investigations. Falco recorded confessions of gangland-style killings and nearly became a target himself before he sought refuge in the Witness Protection Program. But discontent to remain on the sidelines and motivated by a strong sense of duty, Falco eventually left the Program and volunteered his talents again to infiltrate the Mongols and Outlaws, rising in rank to Vice President of the Petersburg, Virginia Outlaws chapter. His efforts culminated in sixty-two arrests of members for various crimes, including assault and murder. Executing one of this country's most successful RICO prosecutions and effectively crippling the criminal enterprise, Falco's engrossing narrative of the dangers of the biker underworld harkens back to Hunter S. Thompson's classic *Hell's Angels*, vividly recounting a life undercover.

alone, including interviews with young professionals, middle-aged singles, the divorced and the elderly and discovers that they are more engaged in social and civic life than their married counterparts. 25,000 first printing.

Relates the undercover work of George Rowe, who infiltrated the Vagos motorcycle gang, spending three years working to take down the gang from the inside.

Truth and lies are two sides of the same coin. But who's flipping it? A thought-provoking and brilliantly entertaining work of nonfiction from one of the world's leading deceivers, the creator and star of the astonishing theater show and forthcoming film *In & Of Itself*. Derek DelGaudio believed he was a decent, honest man. But when irrefutable evidence to the contrary is found in an old journal, his memories are reawakened and Derek is forced to confront--and try to understand--his role in a significant act of deception from his past. Using his youthful notebook entries as a road map, Derek embarks on a soulful, often funny, sometimes dark journey, retracing the path that led him to a world populated by charlatans, card cheats, and con artists. As stories are peeled away and artifices are revealed, Derek examines the mystery behind his father's vanishing act, the secret he inherited from his mother, the obsession he developed with sleight-of-hand that shaped his future, and the affinity he felt for the professional swindlers who taught him how to deceive others. And once he finds himself working as a crooked dealer in a big-money Hollywood card game, Derek begins to question his own sense of morality, and discovers that even a master of deception can find himself trapped inside an illusion. *A M O R A L M A N* is a wildly engaging exploration of the fictions we live as truths. It is ultimately a book about the lies we tell ourselves and the realities we manufacture in others.
