Providing a context for the commissioned essays are a number of classical historical texts crossing religions, cultures, genders, and ages - from Greek myths to articles published in the aftermath of September 11, 2001.

Veil: Veiling, Representation and Contemporary Art: Amazon

Veil is the first publication to explore the representation of the veil — one of the most powerful symbols in contemporary visual culture — and serves as an essential starting point to establish a new international dialogue. Extending possible interpretations of the veil and investigating the ambiguities and paradoxes expressed in contemporary arts practice, it provides both a social and an historic context to the veil ' s multilayered symbolism.

Modern Art Oxford is staging Veil, an exhibition devoted to exploring the significance of this most controversial, symbolically loaded item of female dress — an item weighed down with political and religious baggage in western societies, particularly post — September 11.

Veil | Bidoun

Veil is a major international exhibition that examines one of the most powerful symbols in contemporary culture. Twenty artists and film-makers address the question of the veil in all its complexities and ambiguities, challenging any single or fixed cultural interpretation. Veil spans the spectrum of contemporary visual arts practices, with an emphasis on lens-based work; on one level, the project is an exploration of the roles of photography, film and video as contemporary tools for ...

Veil | Iniva

A veil is an article of clothing or hanging cloth that is intended to cover some part of the head or face, or an object of some significance. Veiling has a long history in European, Asian, and African societies. The practice has been prominent in different forms in Judaism, Christianity, and Islam.
