The Broadduses next contacted the Woods family who had sold them the house. Andrea Woods confirmed getting an odd note signed The Watcher, but said she had dismissed it as harmless and thrown it away. She also said that she and her husband had lived in the house for 23 years and only ever heard from The Watcher once.

In the Dream House is Carmen Maria Machado's engrossing and wildly innovative account of a relationship gone bad, and a bold dissection of the mechanisms and cultural representations of psychological abuse. Tracing the full arc of a harrowing relationship with a charismatic but volatile woman, Machado struggles to make sense of how what happened to her shaped the person she was becoming.

It's not just the house that's keeping secrets. Pretending everything's all right is harder than it sounds. But the Kings know that even if they told the truth about the bizarre things happening in their house, no one would believe them. They're hyper-focused on rescuing their lost

family member before anyone finds out what's going on. But when a stranger shows up to take their house, their options start dwindling fast. Why would he be so interested in a run-down old place? And what secret is he hiding--just as he hides the scars that crisscross his body? The mystery gets stranger with each passing day. Will the Kings be able to find a way to harness the house's secrets and discover who is watching their every move before another gets snatched into an unknown world?

Their destiny is to fix history. Their dream is to get home. When you live in a house that's really a gateway between past and present, you have to be ready for anything. It's a painful fact the Kings have faced since moving to Pinedale eight days ago. Desperately trying to rescue their mother from an unknown time and place, brothers Xander and

David have lunged headlong into the chaos of history's greatest--and most volatile--events. But their goal has continually escaped their grasp. And worse: Finding Mom is only a small part of what they must do, thanks to the barbaric Taksidian. His ruthless quest to sieze their house and its power from them has put not only the family, but all of mankind, in grave danger. Somehow, the key to it all hinges on Uncle Jesse's words to the boys: "Fixing time is what our family was made to do." But how can they fix a world that has been turned updisde down--much less ever find their way home? At long last, the secrets of the house and the King family are revealed in the stunning conclusion to this epic series.

Which door would you go through to save the world? David, Xander, and Toria King never know what new adventures--and dangers--await

them beyond the mysterious portals hidden on the top floor of their new house. They have battled gladiators and the German army, dodged soldiers on both sides of the Civil War, and barely escaped a fierce attack in their own home. Still they are no closer to finding their mother, who was pulled by powerful forces through a portal and lost in time. Their only hope is to turn the tables on Taksidian, the menacing stranger who wants them out of the house so he can use it for his own twisted purposes. But everything changes when a trip into the near future reveals the devastating outcome of Taksidian's schemes--a destroyed city filled with mutant creatures. It is only then that the Kings realize what they're really fighting for--the fate of humanity itself.

They've been to three worlds in less than a day. Time isn't just running out...it's running wild. David King is reeling from his travels through

history-and the evil he's found there. The last thing he needs is his great-great-uncle Jesse's hospital-bed instructions: You can't simply do nothing. You must fix things. David and his brother Xander's search for their abducted mother has repeatedly led them on strange and terrifying journeys as they've stepped through the portals of the creepy old house and into some of history's most turbulent moments...and confronted an unimaginably bleak vision of the future. Now Jesse's words saddle them with an obligation to not only visit the past, but the need to rewrite it. Fulfilling their purpose will take everything they have, both mentally and physically. But they have no choice...because everything in the past-and the future-is on the line.

When fifteen-year-old Xander and his family move into an old, abandoned house in the middle of a dense forest outside of a small

California town, they discover that not only are some of the rooms portals into other places, but that malevolent forces are at work.

The house talks. It breathes. And it's hungry. The Kings have been in the creepy old place, their new home, for only a few days, but they've experienced enough terror to last a lifetime. And the mystery is growing even more baffling. Shadowy and shifting, the big house conceals doors into other worlds that blur the line between memories and dreams—and the slightest misstep can change history forever. At least, that's if they believe the trembling old man who shows up claiming to know them. "There's a reason you're in the house," he tells them. "As gatekeepers, we must make sure only those events that are supposed to happen get through to the future." The problem is that horrors beyond description wait on the other side of those gates. As if

that weren't enough, the Kings are also menaced by sinister forces on this side—like the dark, ancient stranger Taksidian, who wants them out now. Xander, David, and Toria must venture beyond the gates to save their missing mother—and discover how truly high the stakes have become.

When a group of immortal vigilantes threatens millions, only one man is brave enough to stand in their way. Their story didn't start this year...or even this millennium. It began when Moses was on Mt. Sinai. Tired of waiting on the One True God, the twelve tribes of Israel began worshipping a golden calf through pagan revelry. Many received immediate death for their idolatry, but 40 were handed a far worse punishment—endless life on earth with no chance to see the face of God. This group of immortals became the 13th Tribe, and they've

been trying to earn their way into heaven ever since—by killing sinners. Though their logic is twisted, their brilliance is undeniable. Their wrath is unstoppable. And the technology they possess is beyond anything mere humans have ever seen. Jagger Baird knows nothing about the Tribe when he 's hired as head of security for an archaeological dig on Mt. Sinai. The former Army Ranger is still reeling from an accident that claimed the life of his best friend, his arm, and his faith in God. The Tribe is poised to execute their most ambitious attack ever and the lives of millions hang in the balance. When Jagger 's wife and son are caught in the crossfire, he ' ll stop at nothing to save them. But how can one man stand against an entire tribe of immortals?

“ Liparulo plunges deep into the pages of Scripture to find intriguing what-if ' s and stunning revelations—all woven into a tale that is both skin-tinglingly supernatural and thought-provokingly real. Packed

If you breathe . . . It will find you. The list of 10,000 names was created for maximum devastation. Business leaders, housewives, politicians, celebrities, janitors, children. None of them is aware of what is about to happen--but all will be part of the most frightening brand of warfare the world has ever known. The germ--an advanced form of the Ebola virus--has been genetically engineered to infect only those people whose DNA matches the codes embedded within it. Those whose DNA is not a match simply catch a cold. But those who are a match experience a far worse fate. Within days, their internal organs liquify. Death is the only escape. The release of the virus will usher in a new era

of power where countries are left without defense. Where a single person--or millions--could be killed with perfect accuracy and zero collateral damage. Where your own DNA works against you. The time isn't coming. It is now. Pray the assassins get you first.

What if praying became a curse instead of a blessing? Former Army Ranger Jagger Baird thought he had his hands full with the Tribe—the band of immortal vigilantes fighting to regain God ' s grace by killing those opposed to Him. But that was before he encountered the ruthless group of immortals called the Clan. The Clan is after a prize that would give them unimaginable power—a piece of the Ten Commandments known as the Judgment Stone. Those who touch the Stone can see into the spiritual world: angelic warriors, treacherous demons, and the blue threads of light that signal the presence of believers in communion with

God. By following the blue beam radiating from those closest to God, the Clan plans to locate His most passionate followers and destroy them. Jagger quickly realizes his high-tech gadgetry and training are no match for these merciless immortals. But how can he defeat an enemy who hunts believers through their prayers . . . and won ' t stop until they ' ve annihilated all those close to Him? In this high-action thriller, best-selling author Robert Liparulo examines the raging battle between good and evil on earth . . . and beyond.

Watcher in the woods - Twelve-year-old David and his family search for their kidnapped mother in the many different time period portals of their home, but when a stranger appears and tries to force them to sell the house, their desperation reaches new heights.
